

of the amendment was published in the Federal Register on August 26, 1996 (61 FR 43781).

At the request of the company, the Department reviewed the certification for workers of the subject firm. The company reports worker separations have occurred at other Paramount Headwear production facilities at various Missouri locations. Based on this new information, the Department is again amending the certification to cover Paramount Headwear, Incorporated, located in the following Missouri locations: Dixon, Ellington, Lockwood, Marble Hill, Mountain Grove, Salem, Van Buren and Winona. The workers were engaged in employment related to the production of hats and caps.

The intent of the Department's certification is to include all workers of Paramount Headwear, Incorporated adversely affected by increased imports.

The amended notice applicable to TA-W-32,433 is hereby issued as follows:

All workers of Paramount Headwear, Incorporated, Bernie, Missouri (TA-W-32,433) and in other cities in Missouri as follows: Dixon (TA-W-32,433D), Ellington (TA-W-32,433E), Lockwood (TA-W-32,433F), Marble Hill (TA-W-32,433G), Mountain Grove (TA-W-32,433H), Salem (TA-W-32,433I), Van Buren (TA-W-32,433J) and Winona (TA-W-32,433K), who became totally or partially separated from employment on or after June 2, 1995, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 21st day of January 1997.

Russell T. Kile,

Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.

NATIONAL FOUNDATION FOR THE ARTS AND THE HUMANITIES

Institute of Museum and Library Services; Submission for OMB Emergency Review, Comment Request

January 24, 1997.

AGENCY: Institute of Museum and Library Services.

ACTION: Notice.

SUMMARY: The Institute of Museum and Library Services has submitted the following public information collection request (ICR) to the Office of Management and Budget (OMB for review and approval in accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. Chapter 35).

A copy of this ICR with applicable supporting documentation may be obtained by calling the Institute of Museum and Library Services, Director of Public and Legislative Affairs, Mamie Bittner (202) 606-8536. Individuals who use a telecommunications device for the deaf (TTY/TDD) may call (202) 606-8636 between 9:00 a.m. and 4:00 p.m. Eastern time, Monday through Friday. **BACKGROUND:** Public Law 104-208 enacted on September 30, 1996 contains the Library Services and Technology Act, a reauthorization and refocusing of federal library programs. This legislation retains the state-based approach to library programs and sharpens the focus to two key priorities: information access through technology and information empowerment through special services. The Institute requires emergency clearance for this paperwork to comply with the legislative requirement that, in order to be eligible to receive a grant, State library administrative agencies must submit a State plan to the director of IMLS no later than April 1, 1997.

Public Law 104-208 authorizes the Director of the Institute of Museum and Library Services to make grants to States to assist them to—

(1) Consolidate Federal library service programs;

(2) Stimulate excellence and promote access to learning and information resources in all types of libraries for individuals of all ages;

(3) Promote library services that provide all users access to information through State, regional, national and international electronic networks;

(4) Provide linkages among and between libraries;

(5) Promote targeted library services to people of diverse geographic, cultural, and socioeconomic backgrounds, to individuals with disabilities, and to people with limited functional literacy or information skills.

Under Section 224(a)(2), the State plan shall cover a period of 5 years. Section 224(b) requires that the State plan shall

(1) Establish goals, and specify priorities, for the State consistent with the purposes of the subtitle;

(2) Describe activities that are consistent with the goals and priorities established under paragraph (1), the purposes of this subtitle, and section 231, that the State library administrative agency will carry out during such year using such grant;

(3) Describe the procedures that such agency will use to carry out the activities described in paragraph (2);

(4) Describe the methodology that such agency will use to evaluate the

success of the activities established under paragraph (2) in achieving the goals and meeting the priorities described in paragraph (1);

(5) Describe the procedures that such agency will use to involve libraries and library users throughout the State in policy decisions regarding implementation of this subtitle; and

(6) Provide assurances satisfactory to the Director that such agency will make such reports, in such form and containing such information, as the Director may reasonably require to carry out this subtitle and to determine the extent to which funds provided under this subtitle have been effective in carrying out the purposes of this subtitle.

Section 224(c) requires each State library administrative agency receiving a grant under this subtitle to independently evaluate, and report to the Director regarding, the activities assisted under this subtitle, prior to the end of the 5-year plan.

DATES: Comments must be submitted by February 18, 1997.

ADDRESSES: Comments must be sent to Office of Information and Regulatory Affairs, Attn.: OMB Desk Officer for the Institute of Museum and Library Services, NEOB, Washington, DC 20503, (202) 395-7316.

SUPPLEMENTARY INFORMATION: The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used;

- Enhance the quality, utility and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submissions of responses.
