

W2W program. These reports will document employment activity conducted by INA W2W grantees who provide employment services to adult recipients of benefits under the Temporary Assistance for Needy Families (TANF) program, established by Pub. L. 104-193 (the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, commonly called the "Welfare Reform Act"). Information submitted on these reports will be utilized by the Department to evaluate the success of individual INA W2W programs and to provide data for reports to Congress and the White House on the success of the overall INA W2W program. These regulations are being published in Interim Final form to comply with the requirements of section 412(a)(3)(C)(iii) of the Social Security Act, as amended by section 5001(c) of Pub. L. 105-33 (the Balanced Budget Act of 1997). This emergency clearance is necessary to enable the Department to implement the INA W2W program as close to the legislatively-mandated beginning date of October 1, 1997 (Fiscal year 1998) as possible. Also, quick implementation of the INA W2W program is desirable because many TANF recipients are reaching the exhaustion of their benefits, due to the time limits for receiving those benefits imposed by Pub. L. 104-193 (the "Welfare Reform Act").
