In accordance with section 351.213 of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. The

Department has changed its requirements for requesting reviews for countervailing duty orders. Pursuant to 771(9) of the Act, an interested party must specify the individual producers

or exporters covered by the order or suspension agreement for which they are requesting a review (Department of Commerce Regulations, 62 FR 27295, 27424 (May 19, 1996)). Therefore, for

both antidumping and countervailing duty reviews, the interested party must specify for which individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Seven copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, N.W., Washington, D.C. 20230. The Department also asks parties to serve a copy of their request to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of December 1997. If the Department does not receive, by the last day of December 1997, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: November 28, 1997.

Richard W. Moreland,

*Acting Deputy Assistant Secretary, Group II,
Import Administration.*

Steel Wire Rope from the Republic of Korea: Preliminary Results of Antidumping Duty Administrative Review and Intent To Revoke Antidumping Duty Order in Part

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary results of antidumping duty administrative review and intent to revoke antidumping duty order in part.

SUMMARY: In response to requests by the petitioner, the Committee of Domestic Steel Wire Rope & Specialty Cable Manufacturers, and by six manufacturers/exporters of subject merchandise, the Department of Commerce is conducting an administrative review of the antidumping duty order on steel wire rope from Korea. The review covers 15 manufacturers/exporters of the subject merchandise. The period of review is March 1, 1996, through February 28, 1997.

We have preliminarily found that, for certain exporters, sales of subject merchandise have been made below normal value. If these preliminary results are adopted in our final results of this administrative review, we will instruct the Customs Service to assess antidumping duties based on the difference between the export price and the normal value. Also, if these preliminary results are adopted in our final results of this administrative review, we intend to revoke the antidumping duty order with respect to Chung Woo Rope Co., Ltd., Ssang Yong Cable Manufacturing Co., Ltd. and Sung Jin Company, based on three years of sales at not less than NV. See *Intent to Revoke* section of this notice.

Interested parties are invited to comment on these preliminary results. Parties who submit case briefs in this proceeding should provide a summary of the arguments not to exceed five pages and a table of statutes, regulations, and cases cited.

EFFECTIVE DATE: December 5, 1997.
