#### SUPPLEMENTARY INFORMATION:

*OMB Number:* 1557-0209.

*Form Number:* Not applicable.

*Type of Review:* Reinstatement, with change, of a previously approved collection for which approval has expired.

*Title:* Survey of Financial Activities and Attitudes.

*Description:* The OCC encourages national banks to provide fair access to financial services for all. Last fall, the OCC initiated a major project to learn more about why millions of households have no banking relationships (nonbanked), and whether some banks have found ways of profitably serving them.

As the first part of this initiative, the OCC prepared the Preliminary Survey of Nonbanked Status. The OCC now plans to conduct a Survey of Financial Activities and Attitudes (Final Survey) to learn more about how nonbanked households conduct their financial activities and what factors may keep them from using banking services.

The OCC will conduct the Final Survey through a contractor, in several urban locations, in English and Spanish. The Final Survey will involve both personal contacts and telephone surveys.

The Final Survey will provide the OCC, as well as national banks and the general public, with information on diversity within the nonbanked population; how nonbanked households currently conduct their financial activities; their experience with, and interest in, banking services; and the financial service costs they incur.

The OCC will use this information to better assess national bank efforts to serve nonbanked households. Further, the OCC and the industry will use this information to identify effective methods for better serving nonbanked
