The Proposal

The FAA is proposing to amend Title 14 of the Code of Federal Regulations part 71 (14 CFR part 71) by modifying the Browerville/Barter Island, AK, En Route Domestic Airspace Area. This action would remove that portion of the area protected by controlled airspace known as V-438. En Route domestic airspace areas are used for en route navigation requiring en route air traffic control services outside of controlled airspace. This action would redefine the remaining area and rename Browerville/Barter Island, AK, to Barter Island, AK. En route domestic airspace areas are published in paragraph 6006 of FAA Order 7400.9D, dated September 4, 1996, and effective September 16, 1996, which is incorporated by reference in 14 CFR 71.1. The en route domestic airspace area listed in this document would be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. Therefore, this regulation—(1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

SUPPLEMENTARY INFORMATION:

Background

On November 7, 1996, ATF published a Notice of Petition in the Federal Register at 61 FR 57597 which outlined the proposals made in a petition submitted by Heublein, Inc. Heublein's petition seeks changes in regulations

relating to the labeling and advertising of malt beverages which would prohibit the use of "Pina Colada," "Daiquiri," "Margarita," and similar terms in the labeling of malt beverage products. Heublein's petition also seeks to amend regulations relating to the labeling and advertising of distilled spirits to prohibit the term "Margarita" from being used in the labeling of any product unless that product is made with Tequila.

The comment period for Notice No. 844 was scheduled to close on February 5, 1997. Prior to the close of the Comment Period, ATF received a request from the National Association of Beverage Importers, Inc. (NABI), a trade association representing importers of alcoholic beverages, to extend the comment period for 30 days. In requesting the extended comment period, NABI stated that the petition had raised considerable controversy within the industry, and that its members required additional time to reach a position on the issues raised by the petition.

In consideration of this request, ATF finds that a reopening of the comment period is being warranted. Thus, the comment period is being reopened for a period of 30 additional days until March 7, 1997.

Disclosure

Copies of Heublein's petition and written comments received in response to the petition and to Notice No. 844 will be available for public inspection during normal business hours at: ATF Reading Room, Disclosure Branch, Room 6300, 650 Massachusetts Avenue NW, Washington, DC.
