DEPARTMENT OF THE INTERIOR**Natural Park Service****Availability of Draft Wild and Scenic River Eligibility Report for the Lumber River, North Carolina**

AGENCY: National Park Service, Interior.

ACTION: Publication of draft report for public comment.

SUMMARY: The National Park Service is publishing for public review and comment a draft study report on designating the Lumber River, North Carolina, into the National Wild and Scenic Rivers System. The National

Park Service has found that the Lumber River, North Carolina (from the headwaters at State Route 1412/1203 to the Scotland/Robeson County lines and from Jacob Branch to the North Carolina/South Carolina border) is eligible for the national system and is recommending that this section of the river be designated.

DATES: Comments must be postmarked by May 22, 1998.

ADDRESSES: Copies of the draft report are available for public inspection at: National Park Service, Southeast Regional Office, Atlanta Federal Center, 1924 Building, 100 Alabama Street, SW, Atlanta, Georgia 30303; National Park Service, 1849 C Street, NW, Washington, DC 20240-0001. Hours of availability are between 8:30 a.m. and 4:30 p.m., Monday through Friday, except holidays. Additional copies for review are located in the Columbus County Library, Whiteville, North Carolina, Hoke County Library, Raeford, North Carolina, Mary Livermore Library, Pembroke, North Carolina, Robeson County Library, Lumberton, North Carolina and Scotland County Library, Laurinburg, North Carolina; during normal hours of operation. Copies of the draft report may be obtained from Mary Rountree, National Park Service, Southeast Regional Office, Atlanta Federal Center, 1924 Building, 100 Alabama Street, SW, Atlanta, Georgia, 30303, 404-562-3175.

Comments should be directed to the National Park Service, Southeast Regional Office, attention Mary Rountree at the address above.

FOR FURTHER INFORMATION CONTACT:

Mary Rountree, National Park Service, Southeast Regional Office, 1924 Building, 100 Alabama Street, SW, Atlanta, Georgia 30303, (404) 562-3175.

SUPPLEMENTARY INFORMATION: On April 15, 1996, North Carolina Governor James Hunt petitioned the Secretary of the Interior to add 115 miles of the Lumber River to the National Wild and Scenic Rivers System. The section of river under consideration extends from the headwaters at State Route 1412/1203 to the North Carolina/South Carolina border. Under section 2(a)(ii) of the National Wild and Scenic Rivers Act (Pub. L. 90-542, as amended), the Secretary has the authority to add a river to the National System at the request of a state, provided the state has met certain prior conditions and the river meets eligibility criteria, based upon an evaluation of natural and cultural resources.

These conditions are:

(1) The river must have been designated as a component of a states

wild or scenic rivers system by, or pursuant to, an act of the legislature of that state.

(2) Management of the river must be administered by an agency or political subdivision of the state, except for those lands administered by an agency of the Federal government.

(3) The river meets National Wild and Scenic River eligibility criteria, that is, that the river is free-flowing and possesses one or more outstanding resources of significance to the region or nation.

(4) There must be effective mechanisms and regulations in place—local, state or federal—to provide for the long-term protection of those resources for which the river was deemed eligible.

Upon the request of a state governor to the Secretary of the Interior, the National Park Service, acting for the Secretary, undertakes an evaluation of the state's request.

As a result of the evaluation, the National Park Service has concluded that the following requirements that were fully met for all 115 miles of the Lumber River include: (1) Designation of the river into a State wild and scenic river system; (2) management of the river by a political subdivision of the State; and (3) possession of eligibility criteria common to all national wild and scenic rivers.

However, 51 miles (from the Scotland/Robeson County lines to Jacob Branch) of the 115-mile nomination failed to fully meet the fourth requirement, existence of effective local and State mechanisms and regulations to protect the Lumber River without federal management. The National Park Service is recommending that this reach be designated if and when the state of North Carolina and local jurisdictions develop a management plan that affords future protection of the river in accordance with the National Wild and Scenic Rivers Act.

The National Park Service recommends that the Lumber River, from State Route 1412/1203 (River Mile 0) to the Scotland/Robeson County lines at the end of the Maxton Airport Swamp (River Mile 22) and from Jacob Branch (River Mile 73) to the North Carolina/South Carolina border (River Mile 115) be included in the National Wild and Scenic River System. The National Park Service recommends that the following segments of the Lumber River be classified as scenic: State route 1412/1203 to the Scotland/Robeson County lines, Jacob Branch to the upstream town limit of Fair Bluff, and the downstream town limit of Fair Bluff to the North Carolina/South Carolina border. The National Park Service

recommends that the segment of the Lumber River within the town limits of Fair Bluff be classified as recreational.

Dated: April 6, 1998.

Robert Stanton,

Director, National Park Service.

DEPARTMENT OF JUSTICE

Antitrust Division

United States of America v. Hicks, Muse, Tate & Furst Incorporated and Capstar Broadcasting Partners, Inc. and SFX Broadcasting, Inc.; Proposed Final Judgment and Competitive Impact Statement

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)–(h), that a proposed Final Judgment, Stipulation and Order, and Competitive Impact Statement have been filed with the United States District Court for the Eastern District of New York in *United States v. Hicks, Muse, Tate & Furst Incorporated and Capstar Broadcasting Partners, Inc. and SFX Broadcasting, Inc.* Civil Action No. 98-2422. The proposed Final Judgment is subject to approval by the Court after the expiration of the statutory 60-day public comment period and compliance with the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)–(h).

Plaintiff filed a civil antitrust Complaint on March 31, 1998, alleging that the proposed acquisition of SFX Broadcasting, Inc. ("SFX") by Capstar Broadcasting Partners, Inc. ("Capstar") would violate Section 7 of the Clayton Act, 15 U.S.C. 18. The Complaint alleges that Capstar or its related entity Chancellor Media Corporation, ("Chancellor"), and SFX own and operate numerous radio stations throughout the United States, and the proposed transaction would give defendants or Chancellor a significant share of the radio advertising market in Greenville, SC, Houston, TX, Jackson, MS, Pittsburgh, PA and Suffolk County, NY. As a result, the combination of these radio stations would lessen competition substantially in the sale of radio advertising time in the Greenville, Houston, Jackson, Pittsburgh and Suffolk areas.

The prayer for relief seeks: (a) An adjudication that Capstar's proposed acquisition described in the complaint would violate Section 7 of the Clayton Act; (b) preliminary and permanent injunctive relief preventing the consummation of the proposed transaction; (c) an award to the United

States of the costs of this action; and (d) such other relief as is proper.

Shortly before this suit was filed, a proposed settlement was reached that permits Capstar to complete its transactions with SFX, yet preserves competition in the markets in which the transactions would raise significant competitive concerns. A Stipulation and Order and a proposed Final Judgment embodying the settlement were filed at the same time the Complaint was filed.

Unless the plaintiff grants a time extension, the proposed Final Judgment orders Capstar to divest either within six months after the filing of the complaint or within five (5) business days after notice of entry of the Final Judgment, whichever is later, radio stations WESC-FM, WESC-AM, WJMZ-FM, WTPT-FM in Greenville, SC, KKPN-FM in Houston, TX, WJDX-FM in Jackson, MS and WTAE-AM in Pittsburgh, PA. The proposed Final Judgment also orders Capstar to divest either within three months after the filing of the Complaint or within five (5) business days after notice of entry of the Final Judgment, whichever is later, radio stations WBLI-FM, WBAB-FM, WGBB-AM and WHFM-FM in Suffolk, NY. If Capstar does not divest the stations described above within the divestiture period, the Court shall, upon plaintiff's application, appoint a trustee to sell the assets. The proposed Final Judgment also requires Capstar to ensure that, until the divestiture mandated by the Final Judgment has been accomplished, WESC-FM, WESC-AM, WJMZ-FM, WTPT-FM, KKPN-FM, WJDX-FM, WTAE-AM, WBLI-FM, WBAB-FM, WGBB-AM and WHFM-FM will be operated independently as a viable, ongoing business, and kept separate and apart from defendants' other radio stations located in those areas. Further, the proposed Final Judgment requires defendants to give plaintiff prior notice regarding future radio station acquisitions or certain agreements pertaining to the sale of radio advertising time in the Greenville-Spartanburg, SC, Houston, TX, Jackson, MS, Pittsburgh, PA and Suffolk County, NY areas.

A Competitive Impact Statement filed by the United States describes the Complaint, the proposed Final Judgment, and remedies available to private litigants.

Public comment is invited within the statutory 60-day comment period. Such comments, and the responses thereto, will be published in the **Federal Register** and filed with the Court. Written comments should be directed to Craig W. Conrath, Chief, Merger Task Force, Antitrust Division, 1401 H Street,
