### National Oceanic and Atmospheric Administration

#### Saltonstall-Kennedy (S-K) Grant Program Application and Progress and Final Report Formats

**ACTION:** Proposed collection; comment request.

**SUMMARY:** The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Pub. L. 104-13 (44 U.S.C. 3506(c)(2)(A)).

**DATES:** Written comments must be submitted on or before June 15, 1998.

**ADDRESSES:** Direct written comments to Linda Engelmeier, Departmental Forms Clearance Officer, Department of Commerce, Room 5327, 14th and Constitution Avenue, NW, Washington, D.C. 20230.

**FOR FURTHER INFORMATION CONTACT:** Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Alicia L. Jarboe, S-K Program Manager, Financial Services Division, Office of Sustainable Fisheries, National Marine Fisheries Service, 1315 East West Highway, Silver Spring, Maryland 20910, (301) 713-2358. In addition, the S-K application package is available on the NMFS Home Page, at: [www.nmfs.gov/sfweb/skhome.html](http://www.nmfs.gov/sfweb/skhome.html).

#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The S-K Program provides financial assistance on a competitive basis for research and development projects that address various aspects of U.S. fisheries (commercial or recreational), including but not limited to, harvesting, processing, marketing, and associated infrastructures. Projects that primarily involve business start-up or infrastructure development are not eligible for funding. Respondents to the application forms will be universities, State and local governments, fisheries development foundations, industry

associations, private companies, and individuals applying to the S-K Program for grant funds. Respondents to the progress and final report formats will be successful applicants who are recipients of S-K funds.

##### II. Method of Collection

The collection-of-information will be collected on the S-K Program application package including Project Summary and Project Budget forms, and using the Semi-Annual Progress Report and Project Final Report formats. Approved final reports must be submitted electronically in either WordPerfect (version 6.1 or lower) or MSWord (97 version or earlier). NOAA will consider requests for exemption from the requirement for electronic submission, or for submission in a different format than specified above.

##### I. Abstract

NOAA's Sea Grant Program exists to increase the understanding, assessment, development, utilization, and conservation of the Nation's ocean, coastal, and Great Lakes resources. It does this by promoting a strong educational base, responsive research, and training. Grant monies are available for related activities. Applications must include the NOAA Form 90-4, Sea Grant Budget, which details the Sea Grant and grantee funding expected for the project, broken down by a number of cost categories. The information is used by both NOAA and the grantee to determine costs and whether proposed matching costs are allowable. The information is also used in negotiating
