Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104-13.

Bureau: International Trade Administration.

Title: Business Information Service for the Newly Independent States (BISNIS) FinanceLink.

Agency Form Number: N/A.

OMB Number: N/A (number to be assigned).

Type of Request: Regular Submission.

Burden: 33 hours.

Number of Respondents: 200.

Avg. Hours Per Response: 10 minutes.

Needs and Uses: The International Trade Administration's Business Information Service for the Newly Independent States offers business intelligence and counseling to U.S. companies seeking to export or invest in the countries of the former Soviet Union. One of the essential components of BISNIS's services is assisting companies in locating suitable financing for exports. Often, official sources, such as the Export-Import Bank of the United States, cannot handle all requests for a variety of reasons. BISNIS's FinanceLink is an internet-based service that will facilitate contact between exporters and financing agencies. U.S. exporters fill out a form giving relevant details about the desired transaction and submit it via Internet to BISNIS; BISNIS will, in turn, distribute the information collected to U.S.-based financing agencies who have expressed an interest in receiving such information. The intention is to provide a service that benefits both exporters and financing agencies.

Affected Public: Business or other for-profit.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Dennis Marvich, (202) 395-5871.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, Departmental Forms Clearance Officer, (202) 482-3272, Department of Commerce, Room 5327, 14th and Constitution Avenue, N.W., Washington, D.C. 20230.

Written comments and recommendations for the proposed information collection should be sent to Dennis Marvich, OMB Desk Officer, Room 10202, New Executive Office Building, Washington, D.C. 20503.

Dated: April 20, 1998.

Departmental Forms Clearance Officer, Office of Management and Organization.

North American Free-Trade Agreement (NAFTA), Article 1904; Binational Panel Reviews; Request for Panel Review

AGENCY: NAFTA Secretariat, United States Section, International Trade Administration, Department of Commerce.

ACTION: Notice of first request for panel review.

SUMMARY: On April 10, 1998, Stelco, Inc. filed a First Request for Panel Review with the U.S. Section of the NAFTA Secretariat pursuant to Article 1904 of the North American Free Trade Agreement. Panel review was requested of the final antidumping duty administrative review made by the International Trade Administration respecting Certain Corrosion-Resistant Carbon Steel Flat Products from Canada. This determination was published in the **Federal Register** on March 16, 1998 (63 FR 12725). The NAFTA Secretariat has assigned Case Number USA-98-1904-01 to this request.

FOR FURTHER INFORMATION CONTACT: James R. Holbein, United States Secretary, NAFTA Secretariat, Suite 2061, 14th and Constitution Avenue,

Washington, D.C. 20230, (202) 482-5438.

SUPPLEMENTARY INFORMATION: Chapter 19 of the North American Free-Trade Agreement ("Agreement") establishes a mechanism to replace domestic judicial review of final determinations in antidumping and countervailing duty cases involving imports from a NAFTA country with review by independent binational panels. When a Request for Panel Review is filed, a panel is established to act in place of national courts to review expeditiously the final determination to determine whether it conforms with the antidumping or countervailing duty law of the country that made the determination.

Under Article 1904 of the Agreement, which came into force on January 1, 1994, the Government of the United States, the Government of Canada and the Government of Mexico established *Rules of Procedure for Article 1904 Binational Panel Reviews* ("Rules"). These Rules were published in the **Federal Register** on February 23, 1994 (59 FR 8686). The panel review in this matter will be conducted in accordance with these Rules.

A first Request for Panel Review was filed with the U.S. Section of the NAFTA Secretariat, pursuant to Article 1904 of the Agreement, on April 10, 1998, requesting panel review of the final antidumping duty administrative review described above.

The Rules provide that:

(a) A Party or interested person may challenge the final determination in whole or in part by filing a Complaint in accordance with Rule 39 within 30 days after the filing of the first Request for Panel Review (the deadline for filing a Complaint is May 11, 1998);

(b) A Party, investigating authority or interested person that does not file a Complaint but that intends to appear in support of any reviewable portion of the final determination may participate in the panel review by filing a Notice of Appearance in accordance with Rule 40 within 45 days after the filing of the first Request for Panel Review (the deadline for filing a Notice of Appearance is May 26, 1998); and

(c) The panel review shall be limited to the allegations of error of fact or law, including the jurisdiction of the investigating authority, that are set out in the Complaints filed in the panel review and the procedural and substantive defenses raised in the panel review.
