Professional Electric Cutting Tools From Japan; Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary results of antidumping duty administrative review.

SUMMARY: In response to a request by Black & Decker Inc., the petitioner in this case, and Makita Corporation, respondent, the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on professional electric cutting tools (PECTs) from Japan. We invite interested parties to comment on these preliminary results. Parties who submit argument in this proceeding should also submit with the
