Extension of Currently Approved Information Collection for Mineral Activities in the Smith River National Recreation Area

AGENCY: Forest Service, USDA.

ACTION: Notice; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, the Forest Service announces its intent to seek extension of the approval for the existing information collection required by 36 CFR Part 292, Subpart G, for mineral operations in the Smith River National Recreation Area. The current information collection will expire September 30, 1998.

DATES: Comments must be received in writing on or before August 10, 1998.

ADDRESSES: Send written comments to Director, Minerals and Geology Management, mail stop 1126, Forest Service, USDA, P.O. Box 96090, Washington, DC 20090-6090.

The public may inspect comments in the Office of the Director. To facilitate entrance into the building, visitors are encouraged to call ahead (202) 205-1042.

FOR FURTHER INFORMATION CONTACT: Sam Hotchkiss, Minerals and Geology Management, telephone: (202) 205-1535.

SUPPLEMENTARY INFORMATION:

Description of Information Collection

Title: Smith River National Recreation Area.

OMB Number: 0596-0138.

Expiration Date of Approval: September 30, 1998.

Type of Request: Extension of an existing information collection.

Abstract: Forest Service regulations at 36 CFR Part 292, Subpart G, implement Section 8(d) of the Smith River National

Recreation Area Act of 1990 and set forth procedures by which the Forest Service regulates mineral operations on National Forest System lands within the Smith River National Recreation Area. These regulations supplement existing Forest Service regulations and are intended to ensure that mineral operations are conducted in a manner consistent with the purposes for which the Smith River National Recreation Area was established.

Section 292.63(b) requires an operator to provide information to support valid existing rights in addition to plan of operations information requirements at §§ 228.4 and 228.8. Also, as part of a plan of operations for the Smith River National Recreation Area, § 292.63(c) requires the following information: (1) a copy of the authorization or agreement by which operations are to be conducted when the operator and mining claim owner are different; (2) the hazardous and toxic materials and similar chemical substances to be used during mineral operations; (3) the character and composition of mineral wastes that will be used or generated; (4) how these materials and substances will be disposed; (5) the proposed method or strategy for handling the wastes; and (6) how public health and safety will be maintained. Section 292.65(b) requires that operator wishing to exercise outstanding mineral rights submit an operating plan.

Estimate of Burden: 20 hours.

Type of Respondents: Mineral operators.

Estimate Number of Respondents: 2.

Estimated Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 40.

Comment Is Invited

The agency invites comments on the following: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including the use of

automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Use of Comment

All comments, including name and address when provided, will become a matter of public record. Comments received in response to this notice will be summarized and included in the request for Office of Management and Budget approval.

Dated: June 5, 1998.

BROADCASTING BOARD OF GOVERNORS

Sunshine Act Meeting

DATE AND TIME: June 17, 1998; 9:30 a.m.

PLACE: Cohen Building, Room 3321, 330 Independence Ave., SW., Washington, DC 20547.

CLOSED MEETING: The members of the Broadcasting Board of Governors (BBG) will meet in closed session to review and discuss a number of issues relating to U.S. Government-funded non-military international broadcasting. They will address internal procedural, budgetary, and personnel issues, as well as sensitive foreign policy issues relating to potential options in the U.S. international broadcasting field. This meeting is closed because if open it likely would either disclose matters that would be properly classified to be kept secret in the interest of foreign policy under the appropriate executive order (5 U.S.C. 552b.(c)(1)) or would disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed agency action. (5 U.S.C. 552b.(c)(9)(B)) In addition, part of the discussion will relate solely to the internal personnel and organizational issues of the BBG or the International Broadcasting Bureau. (5 U.S.C. 552b.(c)(2) and (6))
