

would be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. Therefore, this proposed regulation—(1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that would only affect air traffic procedures and air navigation, it is certified that this proposed rule would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

AGENCY: Bureau of Alcohol, Tobacco and Firearms (ATF), Department of the Treasury.

ACTION: Proposed rulemaking cross-referenced to temporary regulations.

SUMMARY: In the Rules and Regulations portion of the **Federal Register**, the Bureau of Alcohol, Tobacco and Firearms (ATF) is issuing temporary regulations regarding the implementation of Public Law 104–208, the Omnibus Consolidated Appropriations Act of 1997, enacted September 30, 1996. These regulations implement the law by adding to the list of prohibited persons anyone convicted of a “misdemeanor crime of domestic violence” and by adding the provision that employees of government agencies convicted of such misdemeanors may not lawfully possess or receive firearms and ammunition. In conjunction with the new prohibited person category, regulations are also prescribed to require purchasers of handguns to state on the Brady Form, ATF Form 5300.35, that they have not been convicted of a misdemeanor crime of domestic violence.

In addition, the temporary rule implements the amendment to the Gun Control Act allowing Federal firearms licensees to engage in the business of dealing in curio or relic firearms with another licensee away from their licensed premises. The temporary regulations also serve as the text of this

notice of proposed rulemaking for final regulations.
