### **I. Formation Collection Requests**

FMCS is seeking comments on the following information collection requests contained in FMCS agency forms.

*Agency:* Federal Mediation and Conciliation Service.

*Form Number:* OMB No. 3076-0006.

*Type of Request:* Extension of Expiration date of a currently approved collection without any change in the substance or method of collection.

*Affected Entities:* Potential applicants/grantees who received our grant application kit. Also, applicants/grantees who have received a grant from FMCS.

*Frequency:* a. Three of the forms, the SF-424, LM-6, and LM-9 are submitted at the applicant/grantee's discretion.

b. To conduct the quarterly submissions, LM-7/LM-8 forms are used. Less than quarterly reports would deprive FMCS of the opportunity to provide prompt technical assistance to

deal with those problems identified in the report.

c. Once per application. The LM-3 is the only form to which a "similar information" requirement could apply. That form takes the requirement into consideration by accepting recent audit reports in lieu of applicant completion of items C2 through 9 and items D1 through 3.

*Burden:* SF-424 Application for Federal Assistance, SF-269a (LM-6) Request for Advance or Reimbursement—30 minutes, (LM-8) Project Performance—60 minutes, SF-270a (LM-7) Financial Status Report—30 minutes, (LM-9) FMCS Grants Program Evaluation Questionnaire—60 minutes, and (LM-3) Accounting System and Financial Capability Questionnaire—60 minutes.

*Abstract:* Except for the FMCS Forms LM-3 and LM-9, the forms under consideration herein are either required or recommended in OMB Circulars. The two exceptions are non-recurring forms, the former a questionnaire sent only to non-governmental potential grantees and the latter a questionnaire sent only to former grantees for voluntary completion and submission.

The collected information is used by FMCS to determine annual applicant suitability, to monitor quarterly grant project status, and for on-going program evaluation. If the information were not collected, there could be no accounting for the activities of the program. Actual use has been the same as intended use.

### **II. Requests for Comments**

FMCS solicits comments to:

(i) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility.

(ii) Evaluate the accuracy of the agency's estimates of the burden of the proposed collection of information.

(iii) Enhance the quality, utility, and clarity of the information to be collected.

(iv) Minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated electronic collection technologies or other forms of information technology, e.g. permitting electronic and fax submission of responses.

### **III. The Public Docket**

The official record is the paper records maintained at the address in **ADDRESSES** at the beginning of this document. FMCS will transfer all electronically received comments into

printed form as they are received. These records are available for inspection from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays.
