Notice of Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

Notice is hereby given that a consent decree in *United States v. County of Oswego, et al.*, Civil Action No. 87-CV-0994 (FJS/GLS) (N.D.N.Y.) was lodged with the United States District Court for the Northern District of New York on June 24, 1998.

The proposed consent decree resolves claims asserted by the United States, on behalf of the U.S. Environmental Protection Agency ("EPA"), against forty parties ("Settling Defendants") under Sections 106 and 107 of the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. §§ 9606, 9607. The claims sought to recover past and future response costs and to obtain an order requiring the Settling Defendants to implement the selected remedy for Operable Unit One at the Volney Landfill Superfund Site ("Site") in the Town of Volney, New York. The United States alleged that, under Section 107(a) of CERCLA, 42 U.S.C. 9607(a), various municipalities were liable as current owners and former owners and operators of the Site, and various private parties were liable as generators that arranged for their wastes to be disposed at the Site.

The proposed Consent Decree requires the County of Oswego to implement the selected remedy for the Site at an estimated cost of \$7 million. The United States' past response costs of \$1.8 million will be reimbursed by the County of Oswego, five municipalities that are former owners and operators of the facility, and thirty-three other parties that generated hazardous substances found on the Site. The Settling Defendants will also pay EPA's future response costs associated with the Site and will reimburse the Department of the Interior \$6,500 for assessing potential damage to natural resources.

The Department of Justice will accept written comments relating to the proposed consent decree for thirty (30) days from the date of publication of this notice. Please address comments to the Assistant Attorney General, Environment and Natural Resources Division, Department of Justice, P.O. Box 7611, Ben Franklin Station, Washington, D.C. 20044 and refer to *United States v. County of Oswego, et al.*, (N.D.N.Y.), DJ # 90-11-3-268A.
