In accordance with 28 CFR 50.7(b), notice is hereby given that a proposed

Settlement Agreement in *Sarah Yules v. United States of America*, Civil Action No. 95-10256-WGY (D. Final approval of the proposed Settlement Agreement is subject to the requirements of 28 CFR 50.7.

In this case, Plaintiffs Sarah Yules and Sandra Faxon, acting for themselves and on behalf of proposed class of persons in the Town of Mashpee, Massachusetts, whose drinking water supplies had been contaminated or threatened by pollutants allegedly emanating from the Massachusetts Military Reservation, Barnstable County, Massachusetts ("MMR"), filed suit in 1995 against, among others, the United States Department of Defense and the United States National Guard Bureau ("the federal defendants"). The suit asserted claims under the Comprehensive Environmental Response, Compensation, and Liability Act, the Resource Recovery and Conservation Act, the Federal Clean Water Act, the Federal Tort Claims Act, and state law. The Department of Justice will receive written comments on the proposed Settlement Agreement for a period of 30 days from the date of publication of this notice.
