DEPARTMENT OF TRANSPORTATION

Office of the Secretary

[Docket No. OST-98-3713]

Enforcement Policy Regarding Unfair Exclusionary Conduct in the Air Transportation Industry

AGENCY: Office of the Secretary, DOT.

ACTION: Notice extending comment period.

SUMMARY: The Department (or DOT) published a proposed Statement of the Department of Transportation's Enforcement Policy Regarding Unfair Exclusionary Conduct in the Air Transportation Industry on April 10, 1998, and requested public comment (63 FR 17919). Subsequently, on May 21, 1998, the Department extended the due date for comments to July 24, 1998, from June 9, 1998, and the due date for reply comments to September 8, 1998, from July 9, 1998. By this notice, the Department is now further extending the due date for reply comments from September 8, 1998, to September 25, 1998.

DATES: Reply comments must be submitted on or before September 25, 1998.

ADDRESSES: To facilitate the consideration of comments, each commenter should file eight copies of each set of comments. Comments must be filed in Room PL-401, Docket OST-98-3713, U.S. Department of Transportation, 400 Seventh Street, SW, Washington, DC 20590. Late-filed comments will be considered to the extent possible.

FOR FURTHER INFORMATION CONTACT: Jim Craun, Director (202-366-1032) or Randy Bennett, Deputy Director (202-366-1053), Office of Aviation and International Economics, Office of the Assistant Secretary for Aviation and International Affairs, or Betsy Wolf (202-366-9349), Senior Trial Attorney, Office of the Assistant General Counsel for Aviation Enforcement and Proceedings, U.S. Department of Transportation, 400 Seventh St. SW, Washington, DC 20590.

SUPPLEMENTARY INFORMATION: DOT published a proposed Statement of the

Department of Transportation's Enforcement Policy Regarding Unfair Exclusionary Conduct in the Air Transportation Industry and requested comments on the proposed statement (63 FR 7919, April 10, 1998). The proposed policy statement was developed by the Department of Transportation in consultation with the Department of Justice and sets forth tentative findings and guidelines for use by DOT in evaluating whether major air carriers' competitive responses to new entry warrant enforcement action under 49 U.S.C. 41712. The due dates for comments and reply comments were June 9, 1998 and July 9, 1998, respectively.

Subsequently, in answer to an emergency petition from the Air Transport Association of America (ATA) to extend the comment period, the Department determined that it would be reasonable and in the public interest to give commenters more time for preparing their responses to the proposed statement. On May 21, 1998, we published a notice in the **Federal Register** (63 FR 28021) extending the due date for comments to July 24, 1998, from June 9, 1998, and the due date for reply comments to September 8, 1998, from July 9, 1998.

The Department has now decided, on its own initiative, to extend the period for reply comments from September 8, 1998 to September 25, 1998. In an effort to encourage a meaningful dialogue on the issues involved in the policy statement, the Department has conducted meetings with various air carrier parties and several additional meetings are scheduled for the near future. Since our regulations require that a written summary of the meetings be placed in the docket, we have decided to extend the due date for reply comments to more easily accommodate the submission of the written summaries and to give commenters an opportunity to file comments after reviewing the documents.

At the same time, the Department is co-sponsoring with the publishers of Aviation Week and Space Technology the "Deregulation 20 Summit" on September 23 and 24. Because the agenda for this meeting provides for the discussion of issues relevant to our proposed policy, and the panelists for that meeting have expertise on those issues, we anticipate that the summit will produce additional insights that should be included in the docket.
