**ENVIRONMENTAL PROTECTION AGENCY**

**40 CFR Part 300**

[FRL–6168–1]

**National Oil and Hazardous Substances Pollution Contingency Plan; National Priorities List**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of partial deletion of the Bypass 601 Groundwater Contamination Superfund Site, Concord, Cabarrus County, North Carolina from the National Priorities List.

**SUMMARY:** The EPA Region 4 announces the deletion of Source Areas 1, 2, 3, 7, 8, 9, and 10 of the Bypass 601 Groundwater Contamination Superfund Site from the National Priorities List (NPL), in Appendix B of 40 CFR part 300 which is the National Oil and Hazardous Substances Pollution Contingency Plan (NCP) which EPA promulgated pursuant to section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA), as amended. EPA and the State of North Carolina Department of Environment and Natural Resources have determined that Source

Areas 1, 2, 3, 7, 8, 9, and 10 pose no significant threat to public health or the environment, and therefore, under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) further remedial measures are not appropriate. This deletion does not preclude future action under Superfund.

**EFFECTIVE DATE:** September 28, 1998.

**FOR FURTHER INFORMATION CONTACT:** Giezelle Bennett, Remedial Project Manager, U.S. Environmental Protection Agency, Region 4, North Site Management Branch, 61 Forsyth Street, S.W., Atlanta, Georgia 30303–3014, (404) 562–8824.

**SUPPLEMENTARY INFORMATION:** The Site affected by this partial deletion from the NPL is: Bypass 601 Groundwater Contamination Superfund Site in Cabarrus County, North Carolina.

A Notice of Intent to Partially Delete for this Site was published on August 17, 1998 (63 FR 43898). The closing date for comments on the Notice of Intent to Partially Delete was September 16, 1998. EPA received no comments.

EPA identifies sites that appear to present a significant risk to the public health, welfare, and the environment and it maintains the NPL as the list of those sites. Any site or portion thereof deleted from the NPL remains eligible for Fund-financed remedial actions in the future. Section 300.425(e)(3) of the NCP states that Fund-financed action may be taken at sites deleted from the

NPL. Deletion of a site from the NPL does not affect responsible party liability or impede agency efforts to recover costs associated with response efforts.

**FEDERAL EMERGENCY  
MANAGEMENT AGENCY**

**44 CFR Part 64**

[Docket No. FEMA-7695]

**List of Communities Eligible for the  
Sale of Flood Insurance**

**AGENCY:** Federal Emergency  
Management Agency (FEMA).  
**ACTION:** Final rule.

**SUMMARY:** This rule identifies communities participating in the National Flood Insurance Program (NFIP). These communities have applied to the program and have agreed to enact certain floodplain management measures. The communities' participation in the program authorizes the sale of flood insurance to owners of property located in the communities listed.

**EFFECTIVE DATES:** The dates listed in the third column of the table.

**ADDRESSES:** Flood insurance policies for property located in the communities listed can be obtained from any licensed property insurance agent or broker serving the eligible community, or from the NFIP at: Post Office Box 6464, Rockville, MD 20849, (800) 638-6620.

**FOR FURTHER INFORMATION CONTACT:** Robert F. Shea, Jr., Division Director, Program Implementation Division, Mitigation Directorate, 500 C Street SW., room 417, Washington, DC 20472, (202) 646-3619.

**SUPPLEMENTARY INFORMATION:** The NFIP enables property owners to purchase flood insurance which is generally not otherwise available. In return,

communities agree to adopt and administer local floodplain management measures aimed at protecting lives and new construction from future flooding. Since the communities on the attached list have recently entered the NFIP, subsidized flood insurance is now available for property in the community.

In addition, the Associate Director of the Federal Emergency Management Agency has identified the special flood hazard areas in some of these communities by publishing a Flood Hazard Boundary Map (FHBM) or Flood Insurance Rate Map (FIRM). The date of the flood map, if one has been published, is indicated in the fourth column of the table. In the communities listed where a flood map has been published, Section 102 of the Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 4012(a), requires the purchase of flood insurance as a condition of Federal or federally related financial assistance for acquisition or construction of buildings in the special flood hazard areas shown on the map.

The Associate Director finds that the delayed effective dates would be contrary to the public interest. The Associate Director also finds that notice and public procedure under 5 U.S.C. 553(b) are impracticable and unnecessary.

**National Environmental Policy Act**

This rule is categorically excluded from the requirements of 44 CFR Part 10, Environmental Considerations. No environmental impact assessment has been prepared.

**Regulatory Flexibility Act**

The Associate Director certifies that this rule will not have a significant economic impact on a substantial number of small entities in accordance with the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule

creates no additional burden, but lists those communities eligible for the sale of flood insurance.

**Regulatory Classification**

This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

**Paperwork Reduction Act**

This rule does not involve any collection of information for purposes of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*

**Executive Order 12612, Federalism**

This rule involves no policies that have federalism implications under Executive Order 12612, Federalism, October 26, 1987, 3 CFR, 1987 Comp., p. 252.

**Executive Order 12778, Civil Justice Reform**

This rule meets the applicable standards of section 2(b)(2) of Executive Order 12778, October 25, 1991, 56 FR 55195, 3 CFR, 1991 Comp., p. 309.

**List of Subjects in 44 CFR Part 64**

Flood insurance, Floodplains.  
Accordingly, 44 CFR part 64 is amended as follows:

**PART 64—[AMENDED]**

1. The authority citation for Part 64 continues to read as follows:
