[Docket No. CP98-784-000]

#### Crossroads Pipeline Company; Notice of Request Under Blanket Authorization

September 22, 1998.

Take notice that on September 15, 1998, Crossroads Pipeline Company (Crossroads), 801 E. 86th Avenue, Merrillville, Indiana 46410, filed in Docket No. CP98-784-000 a request pursuant to Sections 157.205, 157.211 and 157.216 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.211, 157.216) for authorization to relocate an existing delivery point in Indiana, under Crossroad's blanket certificate issued in Docket No. CP94-342-001 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Crossroads proposes to abandon its Kendallville delivery station and construct a new delivery station on crossroads existing 20-inch mainline at approximately mile post 106 near Albion, Indiana. Crossroads states that it will provide natural gas deliveries to Northern Indiana Fuel and Light (NIFL) a local distribution company. NIFL will reimburse Crossroads for 100% of the cost and expenses that it will incur for installing the facilities. Such costs and expenses are estimated to be approximately \$200,000. Crossroads states that the installation of the delivery point will have no effect on its peak day or annual deliveries, that its existing tariff does not prohibit the additional point, that deliveries will be accomplished without detriment or disadvantage to its other customers and that the total volumes delivered will not exceed total volumes authorized prior to this request.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request
