

The profile form includes the employment histories of the mediators for the past 10 years and any information disclosed regarding conflicts of interest. The profile also includes information about the mediator's education, business and professional background, mediation experience and training and memberships in professional associations. Mediation is a voluntary method of dispute resolution where a mediator attempts to facilitate a settlement of the dispute. When mediation is successful, cases are settled earlier, often with significant cost savings. The parties' rights are protected since any settlement is reached with their participation and agreement.

Finally, the proposed rule change adds new Rule 639 to require, on a pilot basis for two years from the date of Commission approval, an administrative conference between the parties and arbitrators in all cases where the amount of the claim is \$500,000 or more. An administrative conference early in the process will allow the arbitrators to intervene to establish discovery schedules resolve discovery disputes and other preliminary matters. The conference is intended to expedite the arbitration by narrowing the issues in dispute and avoiding costly contests over procedural matters.

2. Statutory Basis

The Exchange believes that the proposed changes are consistent with Section 6(b)(5) of the Act³ in that they promote just and equitable principles of trade by insuring the members and member organizations and the public have a fair and impartial forum for the resolution of their disputes.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90

days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve the proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying at the Commission's Public Reference Room.
