NorAm Gas Transmission Company; Notice of Request Under Blanket Authorization

October 8, 1998.

Take notice that on October 1, 1998, NorAm Gas Transmission Company

(NGT), 1111 Louisiana, Houston, Texas 77002-5231, filed in Docket No. CP99-2-000 a request pursuant to Sections 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.211) for authorization to construct and operate certain facilities in Arkansas under NGT's blanket certificate issued in Docket No. CP82-384-000 and CP82-384-001 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

NGT specifically proposes to construct and operate a 2-inch delivery tap and first-cut regulator to serve ARKLA, a division of NorAm Energy Corp. (ARKLA). The tap will be installed on NGT's Line K-north in Section 1, Township 14 South, Range 17 West, Ouachita County, Arkansas. The estimated volumes to be delivered to this tap are approximately 91,000 MMBtu annually and 720 MMBtu on a peak day. The tap and first-cut regulator are to be constructed at an estimated cost of \$7,753 and ARKLA will reimburse NGT the construction costs. ARKLA will, at its cost, construct a 2-inch U-shape meter station and convey ownership to NGT. NGT will own and operate the tap and meter station.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefore, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 20 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

October 8, 1998.

Take notice that on September 14, 1998, as supplemented October 6, 1998, Northern Natural Gas Company (Northern Natural), P.O. Box 3330, Omaha, Nebraska 68103-0330, filed a prior notice request with the Commission in Docket No. CP98-780-000 pursuant to Section 157.205 of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to operate an existing delivery point, initially constructed under Section 311 (a) of the Natural Gas Policy Act of 1978, as a jurisdictional facility to provide transportation service to Bunge Corp. (Bunge) in Mills County, Iowa, under Northern Natural's blanket certificate issued in Docket No. CP82-401-000 pursuant to Section 7 of the NGA, all as more fully set forth in the request that is open to the public for inspection.

Northern Natural proposes to operate and maintain an existing delivery point to serve Bunge's plant near Council Bluffs, Mills County, Iowa. Northern Natural States that the Bunge Town Border Station (TBS) consists of approximately 1,800 feet of 6-inch diameter pipe and appurtenant facilities that Northern Natural would provide service to Bunge under Part 284 of the Commission's Regulations. Northern Natural would deliver up to 7,000 MMBtu of natural gas per day and up to 2,190,000 MMBtu annually to Bunge at the Bunge TBS. Northern Border states that its deliveries to Bunge are within its certificated entitlements. Northern Border also states that it originally paid the \$384,000 construction cost for the Bunge TBS, but that the cost would be offset by the demand reservation fees to be paid by Bunge over time.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request.
