Hearing-impaired individuals are advised that information on this matter may be obtained by contacting the Commission's TDD terminal on 202-205-1810.

**SUPPLEMENTARY INFORMATION:** The Commission believes that NFP has justified the need for a closed session. NFP seeks a closed session to provide a full discussion of NFP's relationships with its customers' and these customers' specific buying habits. Because such discussions will necessitate disclosure of business proprietary information (BPI), they can only occur if a portion of the hearing is held in camera. In making this decision, the Commission nevertheless reaffirms its belief that whenever possible its business should be conducted in public.

The hearing will include the usual public presentations by petitioners and by respondents, with questions from the Commission. In addition, the hearing will include an in camera session for a confidential presentation by respondents and for questions from the Commission relating to the BPI, followed by an in camera rebuttal presentation by petitioners. For any in camera session the room will be cleared of all persons except those who have been granted access to BPI under a Commission administrative protective order (APO) and are included on the Commission's APO service list in this investigation. See 19 CFR § 201.35(b)(1), (2). The time for the parties' presentations and rebuttals in the in camera session will be taken from their respective overall allotments for the hearing. All persons planning to attend the in camera portions of the hearing should be prepared to present proper identification.

**Authority:** The General Counsel has certified, pursuant to Commission Rule 201.39 (19 CFR 201.39) that, in her opinion, a portion of the Commission's hearing in Certain Preserved Mushrooms from Chile, China, India, and Indonesia, Inv. Nos. 731-TA-776-779 (Final), may be closed to the public to prevent the disclosure of BPI.

By order of the Commission.

Issued: October 14, 1998.
