SUPPLEMENTARY INFORMATION:

I. Background

In the **Federal Register** of June 3, 1998 (63 FR 30302)(FRL-5791-9), EPA issued a proposed rule under Title IV of TSCA. Section 403 of TSCA (15 U.S.C. 2683) directs EPA to promulgate regulations identifying lead-based paint hazards, lead-contaminated dust, and lead-contaminated soil. Section 402 of TSCA (15 U.S.C. 2682) directs EPA to promulgate regulations governing lead-based paint activities. Section 404 of

TSCA (15 U.S.C. 2684) requires that any State that seeks to administer and enforce the requirements established by the Agency under section 402 of TSCA may submit to the Administrator a request for authorization of such a program.

In response to growing interest in the proposed rule, EPA published in the **Federal Register** of July 2, 1998 (63 FR 39262)(FRL-6017-4), an extension of the original deadline for submission of comments from September 1, 1998 to October 1, 1998. The Agency has now decided that it would like to provide members of the public the opportunity to present oral comments to Agency officials. Accordingly, EPA published in the **Federal Register** of October 1, 1998, (63 FR 52662)(FRL-6037-7), notice of a further extension of the comment period to November 30, 1998, to allow for this meeting. The purpose of this meeting is to enhance the discussion of the issues by enabling interested parties to hear each other's perspectives.

II. Meeting Process

EPA will hear oral comments on a first-come, first-served basis. Individuals are requested to limit their presentations to 10 minutes in order to allow as many persons as possible a fair chance to participate. Individuals interested in presenting comments at the meeting should register in advance by contacting the National Lead Information Clearinghouse at 1-800-424-LEAD (5323). Individuals should indicate whether they wish to speak at the afternoon or evening session. EPA requests that members of the public register by November 9, 1998, although persons may register to speak at the meeting. Persons who register to speak at the meeting will be accommodated on a time available basis. All statements will be made a part of the public record and will be considered in the development of the final rule.

III. Public Record

The official record for this rulemaking, as well as the public version, has been established for this rulemaking under docket control number OPPTS-62156C, which does not contain any information claimed as Confidential Business Information (CBI), and is available for inspection from 12 noon to 4 p.m., Monday through Friday excluding legal holidays. The official rulemaking record is located in the TSCA Nonconfidential Information Center, Rm. NE-B607, 401 M St., SW., Washington, DC.
