These meetings will be for the purpose of evaluating the scientific merit of research conducted in each speciality by Department of Veterans Affairs (VA) investigators working in VA Medical Centers and Clinics.

These meetings will be open to the public up to the seating capacity of the rooms at the start of each meeting to discuss the general status of the program. All of the Merit Review

Subcommittee meetings will be closed to the public after approximately one hour from the start for the review, discussion, and evaluation of initial and renewal projects.

The closed portion of the meeting involves discussion, examination, reference to, and oral review of site visits, staff and consultant critiques of research protocols and similar documents. During this portion of the meeting, discussion and recommendations will deal with qualifications of personnel conducting the studies, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, as well as research information, the premature disclosure of which would be likely to significantly frustrate implementation of proposed agency action regarding such research projects. As provided by

subsection 10(d) of Public Law 92-463, as amended by Public Law 94-409, closing portions of these meetings is in accordance with 5 U.S.C., 552b(c) (6) and (9)(B). Because of the limited seating capacity of the rooms, those who plan to attend should contact Dr. LeRoy Frey, Chief, Program Review Division, Medical Research Service, Department of Veterans Affairs, Washington, DC, (202) 275-6634, at least five days prior to each meeting. Minutes of the meetings and rosters of the members of the Subcommittees may be obtained from this source.

Dated: January 29, 1998.

By Direction of the Acting Secretary.

Heyward Bannister,

Committee Management Officer.
