## DEPARTMENT OF THE INTERIOR

### Bureau of Land Management

[UT-030-99-1610-00]

#### Grand Staircase-Escalante National Monument Draft Management Plan and Environmental Impact Statement

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of availability.

**ADDRESSES:** Copies of the Grand Staircase-Escalante National Monument Draft Management Plan and Draft Environmental Impact Statement (DMP/DEIS) may be obtained from the following Bureau of Land Management (BLM) locations: Grand Staircase-Escalante National Monument Planning Office, 337 South Main Street, Suite 010, Cedar City, Utah 84720, telephone (435) 865-5100; BLM, Utah State Office, 324 South State, Public Room (4th Floor), Salt Lake City, Utah, telephone (801) 539-4001; Kanab Resource Area Office, 318 North First East, Kanab, Utah 84741, telephone (435) 644-2672; Escalante Interagency Office, P.O. Box 225, Escalante, Utah 84726, telephone (435) 826-4291. Comments must be received by the Grand Staircase-Escalante National Monument Planning Office, 337 South Main Street, Suite 010, Cedar City, Utah 84720 by Friday, February 12, 1999.

**SUMMARY:** In accordance with section 102 of the National Environmental Policy Act of 1970, section 202 of the Federal Land Policy and Management Act of 1976 and 43 CFR part 1610, a draft management plan/draft environmental impact statement for Grand Staircase-Escalante National Monument, Utah, has been prepared and is available for review and comment. The DMP/DEIS describes and analyzes future options for managing 1,684,899 acres of public land in Garfield and Kane Counties, Utah. The DMP/DEIS also examines recommendations on suitability for additions to the Wild and Scenic Rivers System. Decisions generated during this planning process will supersede land use planning guidance presented in the Management Framework Plans and subsequent amendments.

**FOR FURTHER INFORMATION CONTACT:** Pete Wilkins, Planning Team Leader, or A. J. Meredith, Monument Manager, Bureau of Land Management, Grand Staircase-Escalante National Monument Planning Office, 337 South Main Street, Suite 010, Cedar City, Utah 84720, telephone (435) 865-5100.

**SUPPLEMENTARY INFORMATION:** The DMP/DEIS analyzes five alternatives to resolve the following seven major issues: (1) How will Monument resources be protected? (2) How will research associated with the Monument be managed? (3) How will Monument management be integrated with community plans? (4) How will people's activities and uses be managed? (5) What facilities are needed and where? (6) How will transportation and access be managed? (7) To what extent is water necessary for the proper care and management of the objects of the Monument, and what further action is necessary to assure the availability of water. Each alternative represents a

complete management plan for the area. The alternatives can be summarized as (A) the no action or change from management as directed by the Proclamation and the Interim Management Guidance, (B) the preferred alternative which emphasizes the preservation of the monument, while recognizing its value as a scientific resource, (C) emphasizes the exemplary opportunities for scientific research, (D) emphasizes the preservation of the primitive, undeveloped nature of the Monument through the stewardship of intact natural systems, and (E) emphasizes and facilitates a full range of developed and undeveloped recreational opportunities, while relying upon public education and use management to protect Monument resources.

#### Wild and Scenic Rivers

In Alternative A (No Action Alternative), a suitability determination would not be made on the 25 eligible river segments (330 miles). In Alternative B (Preferred Alternative) and E, 17 eligible river segments, totaling 225 river miles would be recommended as suitable for Congressional designation into the National Wild and Scenic River System (NWSRS). In Alternative C, all 25 eligible river segments (330 miles) would be determined to be unsuitable. In Alternative D, all 25 eligible river segments, totaling 330 river miles, would be determined suitable and would be recommended for Congressional designation. The table outlines the river segments that were determined eligible for Congressional designation. The table also identifies, by alternative, which eligible river segments would be determined suitable and recommended to Congress for designation into the NWSRS.

River segment	Segment description	Miles	Tentative classification	Determined suitable by alternative				
				A	B	C	D	E
Escalante River Basin								
Harris Wash .....	Tenmile Crossing to confluence with Bighorn Wash.	2.9	Scenic .....	.....	.....	.....	X	.....

## DEPARTMENT OF THE INTERIOR

### Minerals Management Service

#### Outer Continental Shelf, Central Gulf of Mexico, Oil and Gas Lease Sale 172

**AGENCY:** Minerals Management Service, Interior.

**ACTION:** Availability of the proposed notice of sale.

Gulf of Mexico Outer Continental Shelf (OCS); Notice of Availability of the Proposed Notice of Sale for proposed Oil and Gas Lease Sale 172 in the Central Gulf of Mexico. This Notice of Availability is published pursuant to 30 CFR 256.29(c), as a matter of information to the public.

With regard to oil and gas leasing on the OCS, the Secretary of the Interior, pursuant to section 19 of the OCS Lands Act, as amended, provides the affected States the opportunity to review the proposed Notice of Sale. The proposed Notice sets forth the proposed terms and conditions of the sale, including minimum bids, royalty rates, and rentals.

The proposed Notice for proposed Sale 172 and a "Proposed Sale Notice Package" containing information essential to potential bidders may be obtained from Public Information Unit, Gulf of Mexico Region, Minerals Management Service, 1201 Elmwood Park Boulevard, New Orleans, Louisiana 70123-2394. Telephone: (504) 736-2519.

The final Notice of Sale will be published in the **Federal Register** at least 30 days prior to the date of bid opening. Bid opening is currently scheduled for March 17, 1999.

Dated: November 5, 1998.

**Cynthia Quarterman,**

*Director, Minerals Management Service.*

### Bureau of Reclamation

#### Glen Canyon Technical Work Group

**AGENCY:** Bureau of Reclamation.

**ACTION:** Notice of public meetings; correction.

**SUMMARY:** On September 1, 1998, the Bureau of Reclamation published a notification in the **Federal Register** on page 46468 concerning the announcement of three upcoming Glen Canyon Technical Work Group public meetings to be held in Phoenix, Arizona. The document contained incorrect dates for the second meeting.

The correct dates and locations for the second meeting are:

*November 16-17, 1998—Phoenix, Arizona:* The meeting will begin at 10:00 a.m. and end at 5:00 p.m. on the first day. The second day of the meeting will begin at 8:00 a.m. and end at 4:00 p.m. The meeting will be held in the Turquoise Room at the Embassy Suites Hotel at 1515 North 44th Street in Phoenix, Arizona.

**FOR FURTHER INFORMATION CONTACT:** Bruce Moore, Bureau of Reclamation, Salt Lake City, Utah at 801-524-3702.

Dated: November 5, 1998.

**Kirk Rodgers,**

*Acting Commissioner, Bureau of Reclamation.*
