

(2) The impact that mining the coal in the proposed leasehold may have on the area; and

(3) The methods of determining the fair market value of the coal to be offered.

Written requests to testify orally at the December 3, 1998, public hearing should be received at the Uncompahgre Field Office prior to the close of business December 3, 1998. Those who indicate they wish to testify when they register at the hearing may have an opportunity if time is available.

In addition, the public is invited to submit written comments concerning the fair market value and maximum economic recovery of the coal resource. Public comments will be utilized in establishing fair market value for the coal resource in the described lands. Comments should address specific factors related to fair market value including, but not limited to:

1. The quality and quantity of the coal resource.
2. The price that the mined coal would bring in the market place.
3. The cost of producing the coal.
4. The interest rate at which anticipated income streams would be discounted.
5. Depreciation and other accounting factors.
6. The mining method or methods which would achieve maximum economic recovery of the coal.
7. Documented information on the terms and conditions of recent and similar coal land transactions in the lease area, and
8. Any comparable sales data of similar coal lands.

Should any information submitted as comments be considered to be proprietary by the commenter, the information should be labeled as such and stated in the first page of the submission. Written comments on the environmental assessment, maximum economic recovery, and fair market value should be sent to the uncompahgre Field Office at the above address prior to close of business on December 17, 1998.

Substantive comments, whether written or oral, will receive equal consideration prior to any lease offering.

The Environmental Assessment and Maximum Economic Recovery Report are available from the Uncompahgre Field Office upon request.

A copy of the Environmental Assessment, the Maximum Economic Recovery Report, the case file, and the comments submitted by the public, except those portions identified as proprietary by the commenter and meeting exemptions stated in the

Freedom of Information Act, will be available for public inspection at the Colorado State Office, 2850 Youngfield, Lakewood, Colorado, 80215.
