

Volume No. 1, the revised tariff sheet listed below for effectiveness on July 1, 1998:

Third Substitute First Revised Sheet No. 334.

Granite State states that its tariff filing is submitted to replace an erroneous tariff sheet that was filed on July 8, 1998 and accepted and made effective on July 1, 1998 in a Letter Order issued August 8, 1998.

According to Granite State, Sheet No. 334 includes part of its Power Cost Adjustment (PCA) surcharge provision by which Granite State is reimbursed for certain electric power costs for which it is obligated under the terms of a lease of a pipeline component from Portland Pipe Line Corporation. Granite State further states that it proposed a change in the quarterly calculation for the PCA in a filing on March 2, 1998 which was suspended pending a Technical Conference. Following the Technical Conference, Granite State says that it made alternate filings with the Commission proposing changes in the PCA surcharge calculation.

In a Letter Order issued June 25, 1998, the Commission accepted one of the alternates, subject to certain minor corrections, thus rendering the other alternative moot. Granite State says that in complying with the June 25th Letter Order, it filed the incorrect version of the PCA surcharge procedure which had been mooted by the Letter Order and the incorrect tariff sheet was accepted.

Third Substitute First Revised Sheet No. 334 is filed to correct the errors described in the filing and to establish the correct tariff procedures, effective July 1, 1998 as directed by the June 25, 1998 Letter order, according to Granite State.

Granite State further states that copies of its filing have been served on its firm transportation customers and on the regulatory agencies of the states of Maine, Massachusetts and New Hampshire.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public

inspection in the Public Reference Room.
