Tariff Sheet 8A.01, which reflects FGT's Rate Schedule FTS-2 rates, included the tiered Settlement rates for all three periods, but the decreased rates effective March 1, 1999 and March 1, 2000 were contained in a footnote.

FGT is filing concurrently herewith to move the reservation and usage rates that became effective March 1, 1999 from the footnote to the columns on Sheet No. 8A.01 reflecting the currently effective FTS-2 rates.

#### Granite State Gas Transmission, Inc.; Notice of Proposed Changes in FERC Gas Tariff

March 15, 1999.

Take notice that on March 10, 1999, Granite State Gas Transmission, Inc. (Granite State) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the substitute revised tariff sheets listed below for effectiveness on April 1, 1999:

Substitute Eighteenth Revised Sheet No. 21  
Substitute Nineteenth Revised Sheet No. 22

According to Granite State, the substitute revised tariff sheets above supersede the revised tariff sheets it filed on March 1, 1999, to make

effective the Power Cost Adjustment (PCA) surcharge applicable to its firm transportation services during the second quarter of 1999. Granite State states that there was an error in the March 1 filing in calculating the interest in deriving one of the components of the surcharge—the Reconcilable PCA factor. The correct calculation increases this factor to <\$0.3923> which reduces the Total PCA surcharge for the second quarter to \$0.9334, according to Granite State.

Granite State further states that copies of its filing have been served on its firm transportation customers and on the regulatory agencies of the states of Maine, Massachusetts and New Hampshire.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission Regulations. #### Kaiser-Francis Oil Company; Notice of Petition for Adjustment

March 15, 1999.

Take notice that on February 5, 1999, Kaiser-Francis Oil Company (Kaiser-

Francis) filed a petition for staff adjustment in the above-referenced docket, pursuant to section 502(c) of the Natural Gas Policy Act of 1978. Kaiser-Francis requests authorization to defer payment to KN Interstate Gas Transmission Co. (KNI) and to escrow certain portions of the remaining refunds allegedly due KNI. Kaiser-Francis' petition is on file with the Commission and open to public inspection.

Kaiser-Francis contends that it is substantially and adversely affected by the potential Kansas ad valorem tax refund requirement to KNI and that, although it cannot support a request for total refund relief under the Commission's September 10, 1997 refund order [80 FERC ¶61,264 (1997)] and January 28, 1998 order denying rehearing [82 FERC ¶61,058 (1998)], the refund obligation has a harsh impact on Kaiser-Francis. Kaiser-Francis adds that it did not become aware of KNI's refund claim until December 19, 1998. Therefore, Kaiser-Francis requests authorization to defer the payment of the principal and interest attributable to royalties until March 9, 2000. In addition Kaiser-Francis seeks authorization to escrow, in a federally-insured financial institution: (1) the amounts attributable to royalty refunds which have not been collected from the royalty owner (principal and interest); (2) interest on royalty amounts which have been recovered from the royalty owners (the principal of which has been refunded); and (3) interest on the total amount of refunds allegedly due (excluding royalties).

Any person desiring to be heard or to make any protest with reference to said petition should on or before 15 days after the date of the publication in the **Federal Register** of this notice, file with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, a motion to intervene or protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214, 385.211, 385.105 and 385.1106). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the Protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.
