Western Area Power Administration

Record of Decision and Floodplain Statement for the Interconnection of the Southpoint Power Plant With the Western Area Power Administration's Parker-Davis No. 1 and No. 2, 230-kilovolt Transmission Lines (DOE/EIS-0308)

AGENCY: Western Area Power Administration, DOE.

ACTION: Record of Decision.

SUMMARY: Calpine Corporation (Calpine) applied for transmission service from the Western Area Power Administration (Western) for the Southpoint Power Plant Project. To accommodate the request, Western proposed to upgrade its transmission system in order to accommodate the incorporation of new generation into the system. This Record of Decision (ROD) and Statement of Findings has been prepared in accordance with Council on Environmental Quality regulations for implementing the National Environmental Policy Act (NEPA) (40 CFR parts 1500-1508) and Department of Energy (DOE) Procedures for Implementing NEPA (10 CFR part 1021), and DOE's Floodplain/Wetland Review Requirements (10 CFR 1022). Western's decision for its action considered the environmental ramifications of the Southpoint Power Plant Project. Western has determined that no significant environmental impacts will result from construction, operation and maintenance of Calpine Corporation's Southpoint Power Plant, the two natural gas pipelines, or the approximately 7 miles of high voltage transmission lines, or from the upgrade of the Parker-Davis No. 1 230-kilovolt (kV) transmission line. Therefore, Western has decided to provide an interconnection with the plant and Western's transmission system in west central Arizona. However, Calpine has yet to obtain a permit from the Bureau of Land Management (BLM) for the construction of the two natural gas pipelines. Western will reconsider this decision if Calpine fails to obtain the permit from the BLM.

FOR FURTHER INFORMATION CONTACT: Mr. John Holt, Environment Manager, Desert Southwest Customer Service Region, Western Area Power Administration, P.O. Box 6457, Phoenix, AZ 85005, telephone (602) 352-2592, email holt@wapa.gov. Copies of the Environmental Impact Statement (EIS) and the Bureau of Indian Affairs ROD are available from Ms. Amy Heuslein,
