#### *General Information*

The attention of interested persons is directed to the following:

(1) The fact that a transaction is the subject of an exemption under section 408(a) of the Act and/or section 4975(c)(2) of the Code does not relieve a fiduciary or other party in interest or disqualified person from certain other provisions to which the exemptions does not apply and the general fiduciary responsibility provisions of section 404 of the Act, which among other things require a fiduciary to discharge his duties respecting the plan solely in the interest of the participants and beneficiaries of the plan and in a prudent fashion in accordance with section 404(a)(1)(B) of the Act; nor does it affect the requirement of section 401(a) of the Code that the plan must operate for the exclusive benefit of the employees of the employer maintaining the plan and their beneficiaries;

(2) These exemptions are supplemental to and not in derogation of, any other provisions of the Act and/or the Code, including statutory or administrative exemptions and transactional rules. Furthermore, the fact that a transaction is subject to an

administrative or statutory exemption is not dispositive of whether the transaction is in fact a prohibited transaction; and

(3) The availability of these exemptions is subject to the express condition that the material facts and representations contained in each application are true and complete and accurately describe all material terms of the transaction which is the subject of the exemption. In the case of continuing exemption transactions, if any of the material facts or representations described in the application change after the exemption is granted, the exemption will cease to apply as of the date of such change. In the event of any such change, application for a new exemption may be made to the Department.

Signed at Washington, D.C., this 30th day of March, 1999.

## DEPARTMENT OF LABOR

### **Office of the Assistant Secretary for Veterans Employment and Training Service**

### **Funding for Fiscal Year (FY) 1999; Federal Contractor Award Information System (FCAIS)**

**AGENCY:** Office of the Assistant Secretary for Veterans' Employment and Training Service (OASVET), DOL.

**ACTION:** Notice.

**SUMMARY:** The Department of Labor invites proposal for one new award in FY 1999 as authorized under Title 38 United States Code, Section 4212. These awards will allow for the transition of the current FCAIS system to an efficient, interactive, and user-friendly data information system that will collect data from the Commerce Business Daily (CBD) and the Federal Procurement Data System (FPDS).

**DATES:** Applications will be accepted commencing with the issuance of this notice. The closing date for receipt of application is May 10, 1999, at 4:45 p.m. (Eastern Time) at the address below.

**COPIES OF THE APPLICATION PACKAGE:** Ms. Lisa Harvey, Procurement Services Center, 200 Constitution Ave., NW, Room N-5416, Washington, DC 20210. Requests by telephone and by fax will not be honored.

**SUPPLEMENTARY INFORMATION:** The Office of the Assistant Secretary for Veterans' Employment and Training announces the availability of \$249,000 to allow for the transition of the current FCAIS system to an efficient, interactive, user-friendly data information system, and that will collect data from the Commerce Business Daily (CBD) and the Federal Procurement Data System (FPDS). The successful applicant will provide information received from the CBD and FPDS to State Employment Security Agencies (SESAs), and Workforce Development Boards (WDBs), on current and new Federal contracts for job development and job listing purposes. This information is used by SESA and WDB staff to advise covered Federal contractors of their obligations to consider hiring special disabled, Vietnam-era veterans, and veterans who served on active duty during a war or in a campaign or expedition for which a campaign badge has been authorized. The grant recipient will be required to:

a. Collect and maintain a data base of CBD and FPDS contract award information and disseminate that information to SESA and WDB staff on at least some monthly bases.

b. Maintain, store, and update a database of Federal contractors as new contracts are awarded, and distribute this data to state service delivery agencies in the media and format requested.

c. Answer question by telephone about the FCAIS, and make referrals to VETS Staff, and State local service delivery offices and personnel.

d. Identify Federal contractor award needs and develop a system that satisfies DVOPs and LVERs staff requirements on Federal contractors, subcontractors and other employers listing with the State employment service work or workforce development local office.

The grantee will need to develop a nationally accessible system that will enable State staff to verify contractor information, and advise VETS when changes are needed. It is expected that when this new system is developed and approved, the grantee will no longer be responsible for maintaining the current FCAIS.

Eligible applicants must be State or local governments, commercial, or nonprofit entities capable of interfacing with the USDOL, all SESAs and WDBs. Grantees with slow start up of the FY 1999 program will be funded at less than total grant award.

However, the Office of the Assistant Secretary reserves the right not to fund a grantee who is performing poorly and

shows little promise of completing the agreed work.

Signed at Washington, DC this 29th day of March, 1999.

**Lawrence J. Kuss,**  
Grant Officer.

The U.S. Nuclear Regulatory Commission (the Commission) has granted the request of Duquesne Light Company (the licensee) to withdraw a portion of its October 15, 1998, application for proposed amendment to Facility Operating License Nos. DPR-66 and NPF-73 for the Beaver Valley Power Station, Unit Nos. 1 and 2, located in Shippingport, PA.

For further details with respect to this action, see the application for amendment dated October 15, 1998, as supplemented by letter dated December 14, 1998, and the licensee's letters dated February 18, 1999, and February 23, 1999, which partially withdrew the application for license amendment. The above documents are available for public inspection at the Commission's Public Document Room, the Gelman Building, 2120 L Street, NW., Washington, DC, and at the local public document room located at the B.
