**Substance Abuse and Mental Health Services Administration**

**Agency Information Collection Activities: Proposed Collection; Comment Request**

In compliance with section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning opportunity for public comment on proposed collections of information, the Substance Abuse and Mental Health Services Administration will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the information collection plans, call the SAMHSA Reports Clearance Officer on (301) 443-7978.

Comments are invited on: (a) Whether the proposed collections of information are necessary for the proper

performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

**Proposed Project: Treatment Outcomes and Performance Pilot Studies (TOPPS)**

[OMB No. 0930-0182; extension, no change]

The TOPPS program awarded contracts to 14 States to develop and pilot test performance and outcomes measures for substance abuse treatment services. The pilot studies are collecting data from substance abuse clients, including pregnant women, women with dependent children, adolescents, and managed care clients. Measures of addiction severity and other outcomes are being obtained at admission, discharge and post-discharge. These States were granted OMB clearance on data collection until September 30, 1999. SAMHSA is requesting an extension of OMB approval for two of these States, Utah and North Dakota, to allow them to complete data collection. The estimated burden for this extension is summarized below.

	Number of respondents	Responses/respondent	Average burden/response (hrs.)	Annualized total burden (hrs.)
All States, currently approved (includes North Dakota and Utah) .....	6,419	2.0	.51	6,551
North Dakota—extension .....	300	2.0	.75	450
Utah—extension .....	420	2.9	.20	246
Revised Total .....	720	.....	.....	696

Send comments to Nancy Pearce, SAMHSA Reports Clearance Officer, Room 16-105, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857. Written comments should be received within 60 days of this notice.
