Periodically, the Health Resources and Services Administration (HRSA)

publishes abstracts of information collection requests under review by the Office of Management and Budget, in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). To request a copy of the clearance requests submitted to OMB for review, call the HRSA Reports Clearance Office on (301) 443-1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995:

**Proposed Project: Health Education Assistance Loan (HEAL) Program: Lender's Application for Insurance Claim Form and Request for Collection Assistance Form (OMB No. 0915-0036)—Revision**

This clearance request is for a revision of two forms that are currently approved by OMB. HEAL lenders use the Lenders Application for Insurance Claim to request payment from the Federal

Government for federally insured loans lost due to borrowers' death, disability, bankruptcy, or default. The Lenders Application for Insurance Claim form (HRSA form 510) has been revised to reflect information necessary to approve a claim and identify supporting documentation submitted with the claim request. These revisions will facilitate the Department's efforts towards electronic claim request submissions. The Request for Collection Assistance form (HRSA form 513) is used by HEAL lenders to request federal assistance with the collection of delinquent payments from HEAL borrowers. No changes are proposed for the Request for Collection Assistance form.

The estimates of annualized burden are as follows:

Form	Number of respondents	Responses per respondent	Total responses	Hours per response	Total burden hours
HRSA-510 .....	20	75	1,500	30 minutes	750
HRSA-513 .....	20	1,260	25,200	10 minutes	4,208
Total Burden .....	20				4,958

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: Wendy A. Taylor, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, D.C. 20503.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995:

**Proposed Project: Health Professions Student Loan (HPSL) Program and Nursing Student Loan (NSL) Program Administrative Requirements (Regulations and Policy) (0915-0047)—Revision**

The regulations for the Health Professions Student Loan (HPSL) Program and Nursing Student Loan (NSL) Program contain a number of reporting and recordkeeping requirements for schools and loan applicants. The requirements are essential for assuring that borrowers are aware of rights and responsibilities, that

schools know the history and status of each loan account, that schools pursue aggressive collection efforts to reduce default rates, and that they maintain adequate records for audit and assessment purposes. Schools are free to

use information technology to manage the information required by the regulations. The estimated burden is as follows:

Estimated total annual burden: 47,471 hours. There have been no changes in

the reporting requirements. The burden is reduced because the number of schools participating in the programs has been reduced.
