Assumption Agreement Associated With the Central/Coastal Plan

In addition to issuing the incidental take permits listed above, we signed an assumption agreement, dated February 2, 1998, for incidental take permit PRT-810191 issued July 7, 1996. This agreement formally recognized the reincorporation of the permittee, The Irvine Company, from a Michigan corporation to a Delaware corporation. In signing the agreement, The Irvine Company-Delaware assumed the obligations of The Irvine Company-Michigan for implementation of the Central/Coastal Plan. Reincorporation did not result in a new analysis of effects or change the requirements of the original permit, habitat conservation plan, or implementing agreement. Copies of the executed assumption agreement are available upon request.

Dated: April 29, 1999.

Elizabeth H. Stevenson,

Deputy Manager, California/Nevada Operations Office, Fish and Wildlife Service, Region 1, Sacramento, California.

Rescinding of the Emergency Closure of Public Lands: Lane County, Oregon

AGENCY: Bureau of Land Management, Interior.

ACTION: Rescind the 1993 Emergency Closure of public lands in Lane County, Oregon.

SUMMARY: Notice is hereby given that certain public lands in Lane County, Oregon are now rescinded from the temporary closure of water activities in Lake Creek. The closure was made under the authority of 43 CFR 8364.1.

The public lands affected by this closure are specifically identified as the Lake Creek Slide, a natural bedrock

feature in the bed of Lake Creek, within public lands located as follows:

Willamette Meridian, Oregon

T. 16 S., R. 7 W., Sec. 19: Metes and Bounds within the SE¹/₄SE¹/₄

Containing approximately 2 acres.

SUPPLEMENTARY INFORMATION: The original closure was published 58 FR 39222, July 22, 1993. The rationale to rescind this temporary closure follows: The "temporary closure" is now 6 years old, BLM realizes it needs to either make this a permanent closure or resend it. During the 6 years of temporary closure, visitors have continued to ignore 2 visibly posted Danger signs and slide down the rock slab, especially when BLM personnel are not around to enforce it. This behavior demonstrates that a permanent closure would be just as ineffective without full time BLM personnel on site to enforce it. BLM does not have the manpower or funding to provide for this presence. Most visitors are aware of the hazards. The Danger signs have been revised with new verbiage to increase visitor's awareness of the many hazards present on site. The revised signs read:

DANGER UNSUPERVISED AREA
HAZARDOUS TO SLIDE ON ROCKS, SWIM IN THIS AREA, OR DIVE INTO THE WATER
BEWARE OF SLIPPERY SURFACES, SUBMERGED ROCKS, AND SHIFTING TOPOGRAPHY
PARTICIPATING IN THESE OR SIMILAR ACTIVITIES CAN RESULT IN SERIOUS INJURY OR DEATH

DATES: This rescind is effective on May 12, 1999.

ADDRESSES: Copies of this action and maps showing the location of this area are available from the Eugene District Office, P.O. Box 10226 (2890 Chad Drive), Eugene, Oregon 97440.

INTERNATIONAL TRADE COMMISSION

Investigation No. 731-TA-787 (Final); Extruded Rubber Thread From Indonesia

Determination

On the basis of the record¹ developed in the subject investigation, the United States International Trade Commission determines,² pursuant to section 735(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)) (the Act), that an industry in the United States is threatened with material injury³ by reason of imports from Indonesia of extruded rubber thread,⁴ provided for in heading 4007.00.00 of the Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce to be sold in the United States at less than fair value (LTFV).⁵

Background

The Commission instituted this investigation effective March 31, 1998, following receipt of a petition filed with the Commission and the Department of Commerce by North American Rubber

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR § 207.2(f)).

² Commissioner Askey dissenting.

³ Commissioner Crawford finds two like products corresponding to the scope of this investigation as defined by Commerce. She finds (1) that the industry in the United States producing food-grade extruded rubber thread is not materially injured, or threatened with material injury, by reason of LTFV imports from Indonesia, and (2) that the industry in the United States producing all other extruded rubber thread is materially injured by reason of such imports.

⁴ For purposes of this investigation, Commerce has defined "extruded rubber thread" as vulcanized rubber thread obtained by extrusion of stable or concentrated natural rubber latex of any cross sectional shape, measuring from 0.18 mm, which is 0.007 inches or 140 gauge, to 1.42 mm, which is 0.056 inches or 18 gauge, in diameter.

⁵ The Commission did not determine that it would have found material injury but for the suspension of liquidation of entries of the merchandise under investigation, pursuant to 19 U.S.C. § 1673d(b)(4)(B).

Thread Co., Ltd., Fall River, MA. The final phase of the investigation was scheduled by the Commission following notification of a preliminary determination by the Department of Commerce that imports of extruded rubber thread from Indonesia were being sold at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the Commission's investigation and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of November 19, 1998 (63 FR 64276). The hearing was held in Washington, DC, on March 25, 1999, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determination in this investigation to the Secretary of Commerce on May 7, 1999. The views of the Commission are contained in USITC Publication 3191 (May 1999), entitled Extruded Rubber Thread from Indonesia: Investigation No. 731-TA-787 (Final).

Issued: May 6, 1999.

By order of the Commission.

Secretary.
