BILLING CODE 6560-50-F

ENVIRONMENTAL PROTECTION AGENCY

[OPP-100143; FRL-6083-6]

Lockheed Martin Energy Research Corp. and Summitec Corp.; Transfer of Data

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This is a notice to certain persons who have submitted information to EPA in connection with pesticide information requirements imposed under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) and the Federal Food, Drug, and Cosmetic Act (FFDCA). Lockheed Martin Energy Research Corp. and its subcontractor, Summitec Corp., under an Interagency Agreement (IAG) with the Department of Energy (DOE), IAG No. DW89938591-01, will perform work for the EPA Office of Pesticide Programs (OPP), and will be provided access to certain information submitted to EPA under FIFRA and the FFDCA. Some of this information may have been claimed to be confidential business information (CBI) by submitters. This information will be transferred to Lockheed Martin Energy Research Corp. and Summitec Corp. consistent with the requirements of 40 CFR 2.307(h)(3), 2.309(c), and 2.308(l)(2) and will enable Lockheed Martin Energy Research Corp. to fulfill the obligations of the contract.

DATES: Lockheed Martin Energy Research Corp. and Summitec Corp. will be given access to this information no sooner than June 21, 1999.

FOR FURTHER INFORMATION CONTACT: By mail: Richard Schmitt, Information Resources Services Division (7502C), Office of Pesticide Programs, Environmental Protection Agency, 401 M St., SW., Washington, DC 20460. Office location and telephone number: Rm. 703, Crystal Mall 2, 1921 Jefferson Davis Highway, Arlington, VA, (703) 305-5484; e-mail: schmitt.richard@epamail.epa.gov.

SUPPLEMENTARY INFORMATION: Under IAG No. DW89938591-01, which supports the OPP regulatory efforts, Lockheed Martin Energy Research Corp. and Summitec Corp. will (1) conduct analysis and evaluation of registrant submissions for FIFRA registration and (2) perform special technical assistance projects to assist the Office of Pesticide Programs/EPA with issues associated with setting standards.

OPP has determined that access to this information is necessary for the preformation of these tasks.

Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under sections 3, 4, 6, and 7 of FIFRA and under sections 408 and 409 of the FFDCA.

In accordance with the requirements of 40 CFR 2.307(h)(3), 2.08(h)(2), and 2.209(c), this IAG with Lockheed Martin Energy Research Corp. and Summitec Corp., prohibits use of the information for any purpose not specified in the IAG and this contract; prohibits disclosure of the information to a third party without prior written approval from the Agency; and requires that each official and employee of the contractor sign an agreement to protect the information from unauthorized release and to handle it in accordance with the *FIFRA Information Security Manual*. In addition, Lockheed Martin Energy Research Corp. is required to submit for EPA approval a security plan under which any CBI will be secured and protected against unauthorized release or compromise. No information will be provided under this IAG until the above requirements have been fully satisfied. Records of information provided under this IAG will be maintained by the Project Officers for each task in the EPA Office of Pesticide Programs.

All information supplied to Lockheed Martin Energy Research Corp. and Summitec Corp. by EPA for use in connection with this IAG will be returned to EPA when Lockheed Martin Energy Research Corp. and Summitec Corp. have completed their work.

ENVIRONMENTAL PROTECTION AGENCY

[OPP-100145; FRL-6083-8]

Research Triangle Institute; Transfer of Data

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This is a notice to certain persons who have submitted information to EPA in connection with

pesticide information requirements imposed under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) and the Federal Food, Drug, and Cosmetic Act (FFDCA). Research Triangle Institute has been awarded a contract to perform work for the EPA Office of Pesticide Programs (OPP), and will be provided access to certain information submitted to EPA under FIFRA and the FFDCA. Some of this information may have been claimed to be confidential business information (CBI) by submitters. This information will be transferred to Research Triangle Institute consistent with the requirements of 40 CFR 2.307(h)(3) and 2.308(i)(2), and will enable Research Triangle Institute to fulfill the obligations of the contract.

DATES: Research Triangle Institute will be given access to this information no sooner than June 14, 1999.

FOR FURTHER INFORMATION CONTACT: By mail: Richard Schmitt, Information Resources Services Division (7502C), Office of Pesticide Programs, Environmental Protection Agency, 401 M St., SW., Washington, DC 20460. Office location and telephone number: Rm. 703, Crystal Mall 2, 1921 Jefferson Davis Highway, Arlington, VA, (703) 305-5484; e-mail: schmitt.richard@epamail.epa.gov.

SUPPLEMENTARY INFORMATION: Under Contract No. 68-W9-8208, Research Triangle Institute will perform activities in support of the environmental chemistry methods programs. This includes validation of analytical methods to detect pesticide residues in foods. This contract involves no sub-contractors.

OPP has determined that access by Research Triangle Institute to information on all pesticide chemicals is necessary for the performance of this contract.

Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under sections 3, 4, 6, and 7 of FIFRA and under sections 408 and 409 of the FFDCA.

In accordance with the requirements of 40 CFR 2.307(h)(2), the contract with Research Triangle Institute prohibits use of the information for any purpose not specified in the contract; prohibits disclosure of the information to a third party without prior written approval from the Agency; and requires that each official and employee of the Research Triangle Institute sign an agreement to protect the information from unauthorized release and to handle it in accordance with the *FIFRA Information Security Manual*. In addition, Research

Triangle Institute is required to submit for EPA approval a security plan under which any CBI will be secured and protected against unauthorized release or compromise. No information will be provided to this Research Triangle Institute until the above requirements have been fully satisfied. Records of information provided to this Research Triangle Institute will be maintained by the Project Officers for this contract in the EPA Office of Pesticide Programs. All information supplied to Research Triangle Institute by EPA for use in connection with this contract will be returned to EPA when Research Triangle Institute has completed its work.
