**Request for Nominations of Candidates To Serve on the National Vaccine Advisory Committee, Department of Health and Human Services**

The Public Health Service (PHS) is soliciting nominations for possible membership on the National Vaccine Advisory Committee (NVAC). This committee studies and recommends ways to encourage the availability of an adequate supply of safe and effective vaccination products in the States; recommends research priorities and other measures the Director of the National Vaccine Program should take to enhance the safety and efficacy of vaccines; advises the Director of the Program in the implementation of sections 2102, 2103, and 2104, of the PHS Act; and identifies annually for the Director of the Program the most important areas of government and non-government cooperation that should be considered in implementing sections 2102, 2103, and 2104, of the PHS Act.

Nominations are being sought for individuals engaged in vaccine research or the manufacture of vaccines or who are physicians, members of parent organizations concerned with immunizations, or representatives of State or local health agencies, or public health organizations. Federal employees will not be considered for membership. Members may be invited to serve a four-year term.

Close attention will be given to minority and female representation; therefore nominations from these groups are encouraged.

The following information is requested: name, affiliation, address, telephone number, and a current curriculum vitae. Nominations should

be sent, in writing, and postmarked by July 30, 1999, to: Gloria Sagar, Committee Management Specialist, NVAC, National Vaccine Program Office, Centers for Disease Control and Prevention, 1600 Clifton Road, NE, M/S A-11, Atlanta, Georgia 30333. Telephone and facsimile submission cannot be accepted.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both CDC and the Agency for Toxic Substances and Disease Registry.

Dated: June 11, 1999.
