FOR FURTHER INFORMATION CONTACT: Mr. Robert Ostermueller, Northern Division, Naval Facilities Engineering Command, 10 Industrial Highway, MSC 82, Lester, PA 19113, telephone (610) 595-0759.

SUPPLEMENTARY INFORMATION: Pursuant to section 102(2)(c) of the National Environmental Policy Act of 1969, as implemented by the Council on Environmental Quality regulations (40 CFR parts 1500-1508), Navy has prepared and filed with the U.S. EPA the DEIS for the Disposal and Reuse of NAS South Weymouth, MA.

In response to the recommendations of the 1995 Base Closure and Realignment Commission and to the legislative requirements of the 1990 Base Realignment and Closure Act, NAS South Weymouth was officially closed in September 1997.

Navy has prepared a DEIS which addresses the environmental impacts of disposing of NAS South Weymouth and of its potential reuse. It is Navy's policy to adopt the local community's reuse plan as its preferred alternative. The preferred alternative presented in the DEIS is the Final Reuse Plan developed and approved by the South Shore Tri-Town Development Corporation.

The Final Reuse Plan alternative is a combination of land uses to include: Business/research and development (regional headquarters, small businesses, high-technology, etc.), retail (super-regional retail entertainment center/retail along Route 18), residential (new senior housing), institutional (homeless services), recreation (public golf course), open space (wetlands and parks), and infrastructure (roads). The preferred alternative would generate over 9,540 jobs at full 20-year buildout, and would increase traffic and demand on utility systems in the area substantially.

A Notice of Availability for the DEIS was published in the **Federal Register** on July 2, 1999 and the DEIS has been distributed to various federal, state, and local agencies, elected officials, special interest groups, the public, and the media. In addition, copies are available for review at three repositories around NAS South Weymouth: Burton L. Wales Library, Abington MA; Rockland Memorial Library, Rockland, MA; Hingham Town Library, Hingham, MA; and Weymouth Tufts Library, Weymouth, MA. Single copy requests for the DEIS may be directed to the point of contact listed previously.

One public hearing will be held to inform the public of the DEIS findings

and to solicit and receive oral and written comments. The hearing will be held on Wednesday, August 4, 1999 at the Abigail Adams Intermediate School, 89 Middle Street, Weymouth, MA 02189. The hearing will begin at 7 p.m.

Federal, state, and local agencies and interested parties are encouraged to attend or be represented at the meeting. Oral statements will be heard and transcribed by a stenographer; however, to assure the accuracy of the record, statements should be submitted in writing. All statements, both oral and written, will become part of the public record for this study and will be responded to in the Final Environmental Impact Statement. Equal weight will be given to oral and written statements.

In the interest of available time, each speaker will be asked to limit his/her oral comments to five minutes. If longer statements are to be presented, they should be summarized for the public hearing and submitted in written long-form at the hearing or mailed to the point of contact address listed above. All written comments must be postmarked by August 16, 1999 to become part of the official record.

Dated: July 12, 1999.

Ralph W. Corey,
CDR, JAGC, USN, Alternate Federal Register Liaison Officer.
