SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549

Extension:

Rule 17a-22, SEC File No. 270-202, OMB Control No. 3235-0196

Rule 17Ab2-1 and Form CA-1, SEC File No. 270-203, OMB Control No. 3235-0195

Rule 15c2-5, SEC File No. 270-195, OMB Control No. 3235-0198

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collections of information discussed below.

Rule 17a-22 under the Securities Exchange Act of 1934 ("Exchange Act")¹ requires all registered clearing agencies to file with the Commission three copies of all materials they issue or make generally available to their participants or other entities with whom they have a significant relationship. The filings with the Commission must be made within ten days after the materials are issued, and when the Commission is not the appropriate regulatory agency, the clearing agency must file one copy of the material with its appropriate regulatory agency. The Commission is responsible for overseeing clearing agencies and uses the information filed pursuant to Rule 17a-22 to determine whether a clearing agency is implementing procedural or policy changes. The information filed aides the Commission in determining whether

such changes are consistent with the purposes of Section 17A of the Exchange Act. Also, the Commission uses the information to determine whether a clearing agency has changed its rules without reporting the actual or prospective change to the Commission as required under Section 19(b) of the Exchange Act.

The respondents to Rule 17a-22 generally are registered clearing agencies.² The frequency of filings made by clearing agencies pursuant to Rule 17a-22 varies, but on average there are approximately 200 filings per year per clearing agency. Because the filings consist of materials that have been prepared for widespread distribution, the additional cost to the clearing agencies associated with submitting copies to the Commission is relatively small. The Commission staff estimates that the cost of compliance with Rule 17a-22 to all registered clearing agencies is approximately \$4,930. This represents one dollar per filing in postage, or a total of \$3,400. The remaining \$1,530 (or approximately 31% of the total cost of compliance) is the estimated cost of additional printing, envelopes, and other administrative expenses. (The estimated total cost per response is \$1.45 per page representing \$1.00 per page in postage plus \$0.45 for printing, envelopes, and other administrative expenses.)

Rule 17Ab2-1 and Form CA-1 require clearing agencies to register with the Commission and to meet certain requirements with regard to, among other things, a clearing agency's organization, capacities, and rules. The information is collected from the clearing agency upon the initial application for registration on Form CA-1. Thereafter, information is collected by amendment to the initial Form CA-1 when material changes in circumstances necessitates modification of the information previously provided to the Commission.

The Commission uses the information disclosed on Form CA-1 to (i) determine whether an applicant meets the standards for registration set forth in Section 17A of the Securities Exchange Act of 1934 ("Exchange Act"), (ii) enforce compliance with the Exchange Act's registration requirement, and (iii) provide information about specific registered clearing agencies for compliance and investigatory purposes. Without Rule 17Ab2-1, the Commission could not perform these duties as statutorily required.

² Respondents include temporarily registered clearing agencies. Respondents also may include clearing agencies granted exemptions from the registration requirements of Section 17A, conditioned upon compliance with Rule 17a-22.

¹ 15 U.S.C. 78a et seq.

There are currently 15 registered clearing agencies, three clearing agencies that have been granted an exemption from registration, and two entities with pending applications for an exemption from clearing agency registration. The Commission staff estimates that each initial Form CA-1 requires approximately 130 hours to complete and submit for approval. Hours required for amendments to Form CA-1 that must be submitted to the Commission in connection with material changes to the initial CA-1 can vary, depending upon the nature and extent of the amendment. Since the Commission only receives an average of one submission per year, the aggregate annual burden associated with compliance with Rule 17Ab2-1 and Form CA-1 is 130 hours. Based upon the staff's experience, the average cost to clearing agencies of preparing and filing the initial Form CA-1 is estimated to be \$16,391.

Rule 15c2-5 prohibits a broker-dealer from arranging or extending a loan to customers, not subject to Regulation T (12 CFR 220), in connection with the offer or sale of securities unless, before entering the transaction, the broker-dealer: (i) delivers to the customer a written statement containing specific information concerning the terms, obligations, risks and charges of the loan; (ii) obtains from the customer sufficient financial information to determine that the entire transaction is suitable for the customer, and (iii) retains on file and makes available to the customer a written statement setting forth the broker-dealer's basis for determining that the transaction was suitable. The collection of information required by the Rule is necessary to execute the Commission's mandate under the Exchange Act to prevent fraudulent, manipulative, and deceptive acts and practices by broker-dealers.

There are approximately 50 respondents that require an aggregate total of 600 hours to comply with the Rule. Each of these approximately 50 registered broker-dealers makes an estimated 6 annual responses, for an aggregate total of 300 responses per year. Each response takes approximately 2 hours to complete. Thus, the total compliance burden per year is 600 burden hours. The approximate cost per hour is \$25.00 (based on an annual salary of \$52,000 for clerical labor), resulting in a total compliance cost of \$15,000 (600 hours @ \$25.00 per hour).

Although Rule 15c2-5 does not specify a retention period or record keeping requirement under the Rule, nevertheless broker-dealers are required to preserve the records for a period no less than six years pursuant to Rule 17a-4(c). The information required

under Rule 15c2-5 is necessary for broker-dealers to engage in the lending activities prescribed in the Rule. Rule 15c2-5 does not assure confidentiality for the information retained under the Rule.³

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General Comments regarding the estimated burden hours should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; and (ii) Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: July 12, 1999.

Deputy Secretary.
