

revised tariff sheet to become effective August 1, 1999:

Second Revised Sheet No. 11

Equitrans states that the purpose of this filing is to reflect the retainage factors from Article V, Section 1 of Equitrans' Stipulation and Agreement in Docket No. RP97-346 which was approved by the Commission on April 29, 1999. The revised retainage factors reflected in this filing are 3.00% for transmission and .59% for storage.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. BILLING CODE 6717-01-M

above-captioned proceedings, respectively, under which the Applicants will engage in wholesale electric power and energy transactions at market-based rates, and for certain waivers and authorizations. In particular, certain of the Applicants may also have requested in their respective applications that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liabilities by the Applicants. On July 14, 1999, the Commission issued an order that accepted the rate schedules for sales of capacity and energy at market-based rates (Order), in the above-docketed proceedings.

The Commission's July 14, 1999 Order granted, for those Applicants that sought such approval, their request for blanket approval under Part 34, subject to the conditions found in Appendix B in Ordering Paragraphs (2), (3), and (5):

(2) Within 30 days of the date of this Order, any person desiring to be heard or to protest the Commission's blanket approval of issuances of securities or assumptions of liabilities by the Applicants should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure, 18 CFR 385.211 and 385.214.

(3) Absent a request to be heard within the period set forth in Ordering Paragraph (2) above, if the Applicants have requested such authorization, the Applicants are hereby authorized to issue securities and assume obligations and liabilities as guarantor, indorser, surety of otherwise in respect of any security of another person; provided that such issue or assumption is for some lawful object within the corporate purposes of the Applicants, compatible with the public interest, and reasonably necessary or appropriate for such purposes.

(5) The Commission reserves the right to modify this order to require a further showing that neither public nor private interests will be adversely affected by continued Commission approval of the Applicants' issuances of securities or assumptions of liabilities * * *.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is August 13, 1999.

Copies of the full text of the Order are available from the Commission's Public

[Docket No. ER99-3025-000]

Public Service Company of Colorado; Issuance of Order

July 15, 1999.

Public Service Company of Colorado (PSColorado) filed a rate schedule under which it may purchase electricity from certain of its retail customers with on-

site generation. PSColorado filed the rate schedule on behalf of the customer-sellers, rather than having numerous small sellers separately request authorization to sell power for the few times needed by PSColorado. The customers-sellers will become, by virtue of submitting service agreements under this rate schedule, subject to the Commission's jurisdiction. Consequently, PSColorado is requesting waiver of various requirements of the Commission on behalf of the participating entities (PSColorado's customer-sellers). In particular, PSColorado requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liabilities by PSColorado's customer-sellers. On July 14, 1999, the Commission issued an Order Accepting For Filing Proposed Rate Schedule And Granting Waivers (Order), in the above-docketed proceeding.

The Commission's July 14, 1999 Order granted the request for blanket approval under Part 35, subject to the conditions found in Ordering Paragraphs (D), (E), and (G):

(D) Within 30 days of the date of this order, any person desiring to be heard or to protest the Commission's blanket approval of issuances of securities or assumptions of liabilities by PSColorado's customer-sellers should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure, 18 CFR 385.211 and 385.214.

(E) Absent a request to be heard within the period set forth in Ordering Paragraph (D) above, PSColorado's customer-sellers is hereby authorized to issued securities and assume obligations and liabilities as guarantor, indorser, surety or otherwise in respect of any security of another person; provided that such issue or assumption is for some lawful object within the corporate purposes of PSColorado's customer-sellers, compatible with the public interest, and reasonably necessary or appropriate for such purposes.

(G) The Commission reserves the right to modify this order to require a further showing that neither public nor private interests will be adversely affected by continued Commission approval of PSColorado's customer-sellers' issuances of securities or assumptions of liabilities * * *.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is August 13, 1999.
