#### SUPPLEMENTARY INFORMATION:

#### I. Background

The Institute of Museum and Library Services (IMLS) is an independent Federal grant-making agency authorized by the Museum and Library Services Act, Public Law 104-208. The Institute of Museum and Library Service is seeking to collect and analyze information related to the Professional Services Program (PSP), which provides grants to museum organizations for programs that address core museum issues, such as improving services to the public, professional training, and leadership development. The research evaluation will help IMLS evaluate the direct and indirect outcomes for museums and other participants in PSP-funded projects, evaluate the effectiveness and efficiency of PSP, identify potential areas for improvement, determine the level of need/interest for the program within the key stakeholder groups, and assess the program's contribution to meeting the agency mission.

#### II. Current Actions

IMLS seeks to collect, analyze and report on basic information about the effectiveness of the Professional Services Program. From this evaluation, IMLS will be able to assess the strengths, weaknesses, and overall success of the PSP program, and make improvements on the program.
