Notice of Availability; Record of Decision, Marsh-Billings-Rockefeller National Historical Park

AGENCY: National Park Service, Interior.

ACTION: The National Park Service announces the availability of the Record of Decision of the Final Impact Statement for the Marsh-Billings-Rockefeller National Historical Park General Management Plan.

SUMMARY: The National Park Service has prepared the Record of Decision of the Final Environmental Impact Statement for the Marsh-Billings-Rockefeller National Historical Park General Management Plan pursuant to the National Environmental Policy Act of 1969 and the regulations promulgated by the Council on Environmental Quality at 40 CFR 1505.2. A Record of Decision is a concise statement of the decision made, the basis for the decision, and the background of the project, including the decision making process, other alternatives considered, and public involvement. Concurrent with adopting this Record of Decision on the Final Environmental Impact Statement, Marsh-Billings-Rockefeller National Historical Park General Management Plan is approved.

The National Park Service began planning for the management of Marsh-Billings-Rockefeller National Historical

Park in 1993. The National Park Service presented and evaluated two management scenarios (the Proposal and the Alternative) in a Draft General Management Plan/Draft Environmental Impact Statement. The draft plan underwent sixty days of public and interagency review. After considering public and agency comment, the National Park Service produced the Final Environmental Impact Statement, which was available to the public for thirty days beginning on June 23, 1999. The National Park Service took no action for the thirty-day period of public availability, after which time the Park Service prepared the Record of Decision, selecting the Proposal as the final plan. The Record of Decision is now approved and available to the public.

Availability: Copies of the Record of Decision are available at Marsh-Billings-Rockefeller National Historical Park, 54 Elm Street, Woodstock, Vermont. For further information, please contact the Superintendent, Marsh-Billings-Rockefeller National Historical Park, PO Box 178, Woodstock, Vermont 05091; voice at (802) 457-3368; fax at (802) 457-3405.

General Management Plan, Environmental Impact Statement, Devils Tower National Monument, Wyoming

AGENCY: National Park Service, DOI.

ACTION: Notice of intent to prepare an environmental impact statement for the General Management Plan, Devils Tower National Monument.

SUMMARY: Under the provisions of the National Environmental Policy Act, the National Park Service is preparing an environmental impact statement for the General Management Plan for Devils Tower National Monument.

The effort will result in a comprehensive general management plan that prescribes the resource conditions and visitor experiences that are to be achieved and maintained in the park over time. The clarification of what must be achieved according to law and policy will be based on review of the park's purpose, significance, special mandates, and the body of laws and

policies directing park management. Management decisions to be made where law, policy, or regulations do not provide clear guidance or limits will be based on the purposes of the monument, the range of public expectations and concerns, resource analysis, an evaluation of the natural, cultural, and social impacts of alternative courses of action, and consideration of long-term economic costs. Based on determinations of desired conditions, the plan will outline the kinds of resource management activities, visitor activities, and development that would be appropriate in the monument in the future. Alternatives will be developed through this planning process and will include, at a minimum, no-action and the preferred alternative.

Major issues include health and vitality of natural and cultural resources, adequacy of interpretive programs, park aesthetics, overall visitor and traffic congestion, and boundary concerns.

A scoping newsletter has been prepared that details the issues identified to date. Copies of that information can be obtained from the Planning Team, Devils Tower NM, P.O. Box 10, Devils Tower, Wyoming 82714-0010, 307-467-5283, extension 12.

A party that filed a notice of appearance during the preliminary phase of the investigation need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigation.
