

**SUMMARY:** The Pension Benefit Guaranty Corporation (PBGC) is requesting that the Office of Management and Budget (OMB) extend approval, under the Paperwork Reduction Act, of the collection of information under Part 4043 of its regulations relating to Reportable Events (OMB control number 1212-0013; expires November 30, 1999). This notice informs the public of the PBGC's request and solicits public comment on the collection of information.

**ADDRESSES:** Comments should be mailed to the Office of Information and Regulatory Affairs of the Office of Management and Budget, Attention: Desk Officer for Pension Benefit Guaranty Corporation, Washington, DC 20503. Copies of the request for extension (including the collection of information) are available from the Communications and Public Affairs Department, suite 240, 1200 K Street, NW., Washington, DC 20005-4026, between 9 a.m. and 4 p.m. on business days.

**SUPPLEMENTARY INFORMATION:** Section 4043 of the Employee Retirement Income Security Act of 1974 (ERISA) requires plan administrators and plan sponsors to report certain plan and corporate events to the PBGC. The reporting requirements give the PBGC timely notice of events that indicate plan or employer financial problems. The PBGC uses the information provided in determining what, if any, action it needs to take. For example, the PBGC might need to institute proceedings to terminate the plan (placing it in trusteeship) under section 4042 of ERISA to ensure the continued payment of benefits to plan participants and their beneficiaries or to prevent unreasonable increases in its losses.

The collection of information under the regulation has been approved through November 30, 1999, by OMB under control number 1212-0013. The PBGC is requesting that OMB extend approval for another three years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it

displays a currently valid OMB control number.

The PBGC estimates that it will receive 305 reportable events notices per year under this collection of information. The PBGC further estimates that the average annual burden of this collection of information is 1,249 hours and \$187,350.

Issued in Washington, DC, this 31st day of August, 1999.

**STATUS:** Open to public with attendance limited to space available.

**PURPOSE:** The purpose of the forum is to have an exchange of ideas and to start a dialogue that will better enable the Department to analyze its rules. We do not want comments on specific rules or proposals, although it would be appropriate to use an existing rule to illustrate a point.

**SUMMARY:** The Department of Transportation will be hosting a public forum on regulatory flexibility analysis in rulemaking. Expert panelists for this forum will include representatives from business, labor and government. The moderator of the forum will present a series of issues to the panel for discussion; the audience will also be encouraged to ask questions or make comments. The forum will address various issues such as improving regulatory flexibility analysis used in rulemaking decisions, helping small entities participate more effectively in rulemaking, and reviewing existing rules to determine whether they should be revised to lessen or eliminate burdens on small entities. The forum on regulatory flexibility analysis is the third in a series of public forums on rulemaking. As with the forum on economic analysis held in May and the forum on risk assessment held in June, the forum on regulatory flexibility analysis will provide an opportunity for the public to join the Department in discussing important rulemaking issues.

**REGISTRATION:** Participants are requested to register their intent to attend this forum meeting by sending e-mail to gwyneth.radloff@ost.dot.gov. Put the words "Registration for Small Entities Forum" in the subject line and the participant's name, address, phone number, and affiliation in the body of the message.
