DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Directly-Funded Community-Based Organization Program Summary Document; HIV Prevention

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice and request for comments.

SUMMARY: In Fiscal year (FY) 2000, CDC will provide approximately \$17,612,000 million dollars to support community-based organizations (CBOs) to develop, implement, and evaluate effective community-based HIV prevention programs for populations at risk for HIV infection, especially racial and ethnic minority populations at risk.

The purpose of this announcement is to request comments on this proposed program. After consideration of comments submitted, CDC will publish a program announcement to solicit applications. A more complete description of the goals of this program, the target applicants, availability of funds, program requirements, and evaluation criteria follows.

DATES: The public is invited to submit comments by October 29, 1999.

ADDRESSES: Submit comments to: Technical Information and Communications Branch, National Center for HIV, STD, and TB Prevention, Centers for Disease Control and Prevention (CDC), 1600 Clifton Road, NE, Mail Stop E49, Atlanta, GA 30333.

FOR FURTHER INFORMATION CONTACT: Technical Information and Communications Branch, National Center for HIV, STD, and TB Prevention, Centers for Disease Control and Prevention (CDC), 1600 Clifton Road, NE, Mail Stop E49, Atlanta, GA 30333, Fax (404) 639-2007, E-mail address: HIVMAIL@CDC.GOV, Telephone (404)639-2072.

SUPPLEMENTARY INFORMATION:

Purpose

The purpose of this program is to support community-based organizations (CBOs) to develop, implement, and evaluate effective community-based HIV

prevention programs for populations at risk for HIV infection, especially racial and ethnic minority populations at risk.

1. Goals

A. Reduce the disproportionate impact of the HIV epidemic on racial and ethnic minority populations and other at risk populations in high and lower prevalence areas;

B. Support community-based HIV prevention programs that address priorities described in applicable State and local comprehensive HIV prevention plans (that is, the plans developed by the official HIV Prevention Community Planning Groups for the jurisdiction in which the CBO is located) or that adequately justify addressing other priorities, in order to improve and expand community-based HIV prevention services;

C. Enhance the use by CBOs of scientific theory and data and proven knowledge generated through program experience and evaluation as a foundation for designing, implementing and evaluating HIV prevention services;

D. Support collaboration and coordination of HIV prevention efforts among CBOs, community planning groups, and local and state health departments.

2. Eligible Applicants

A. CBOs may apply as either (1) minority CBOs intending to serve predominantly racial or ethnic minority populations at high risk of acquiring or transmitting HIV infection, or (2) other CBOs serving high-risk populations without regard to their racial or ethnic identity. A CBO may submit an application in only one of these categories.

B. To apply as a minority CBO, the applicant organization must meet the following criteria:

(1) Must have been granted tax-exempt status under Section 501(c)(3), as evidenced by an Internal Revenue Service (IRS) determination letter;

(2) Must have greater than 50% of positions on the board or governing body filled by persons of the racial or ethnic minority group(s) to be served;

(3) Must have greater than 50% of positions that work with the proposed program, including management, administrative, supervisory, and service provision positions (for example, executive director, program director, fiscal director, outreach worker, prevention case manager, counselor, group facilitator, or trainer) filled by persons who reflect the racial and ethnic demographics, and the

characteristics of the population to be served; and

(4) Must have an established record of at least two years of service to the proposed target population.

C. To apply as an other CBO serving high-risk populations without regard to their racial or ethnic identity, the applicant organization must meet the following criteria:

(1) Must have been granted tax-exempt status under Section 501(c)(3), as evidenced by an Internal Revenue Service (IRS) determination letter; and

(2) Must have an established record of at least two years of service to the proposed target population.

D. In either category, two or more CBOs may apply as a collaborative partnership. In a collaborative contractual partnership, one CBO must be the legal applicant and will function as the lead organization. The lead organization must meet the criteria specified above, and a CBO can submit only one application under this announcement; that is, it may apply as an individual organization or as part of a collaboration, but not both.

E. CBOs funded under CDC Program Announcements 99091, 99092, and 99096 are eligible to apply if they meet the criteria specified above; however, the total combined award under any combination of these announcements will not exceed \$300,000.

3. Available Funds

Funds are expected to be available for three (3) types of activities under this program announcement. All applicants must apply for Activity A. Activities B and C are optional. A CBO must be funded for Activity A in order to receive an award for Activities B or C.

Activity A

Approximately \$17,120,000 is expected to be available to fund approximately 90 CBOs to develop, implement, and evaluate effective community-based HIV prevention programs. Of this total, approximately \$11,299,200 (60 awards) will be awarded to minority CBOs and approximately \$5,820,800 (30 awards) will be awarded to other CBOs. The average award will be approximately \$190,000.

Activity B

Approximately \$342,000 is expected to be available to fund up to four (4) CBOs to design and implement model peer-to-peer capacity-building assistance activities for neighboring CBOs.
