Hearing or speech-impaired individuals may access this number via TTY by calling the toll-free Federal Information Relay Service at 1-800-877-8339.

**SUPPLEMENTARY INFORMATION:** This list of documents relating to public housing and Section 8 tenant-based assistance is published in accordance with Section 503(d) of the Quality Housing and Work Responsibility Act of 1998 (Title V of Pub.L. 105-276, 112 Stat. 2461, approved October 21, 1998) (Public Housing Reform Act). Section 503(d) requires the Secretary of HUD to publish in the **Federal Register** a list of all rules, regulations, and orders (including all handbooks, notices and related requirements) pertaining to public housing or section 8 tenant-based programs issued or promulgated under the United States Housing Act of 1937 before the date of the enactment of the Public Housing Reform Act that became or will become obsolete because of the enactment of the Public Housing Reform Act, or are otherwise obsolete.

In identifying requirements as "obsolete," this notice lists not only

those that are completely eliminated and removed, but also those that are significantly changed but not removed. For example, the regulatory parts, subparts and sections listed in this notice include regulatory provisions and requirements that are no longer in use or applicable at all as a result of the Public Housing Reform Act, as well as regulatory requirements that are still generally applicable to HUD programs but that are significantly changed by the Public Housing Reform Act and are being revised through rulemaking.
