Notice of Potential Sale: Direct Sale requested by the Bridgeport Indian Colony, Bridgeport, California; Notice of Intent: To consider amending the Bishop Resource Management Plan, Bishop Field Office, California

AGENCY: Bureau of Land Management, Interior

ACTION: Notice of Intent to consider an amendment to the Bishop Resource Management Plan's list of public land disposal parcels, which would add a 40 acre parcel, and a Notice of Potential Direct Sale for the said 40 acres requested by the Bridgeport Indian Colony in Mono County, CA.

SUMMARY: The BLM's Bishop Field Office has received an application from

the Bridgeport Indian Colony to purchase at fair market value a 40 acre parcel adjacent to their existing reservation. The Tribe currently has a 40 acre reservation northeast of Bridgeport, Mono County, CA. The Tribe has been attempting to increase the size of their reservation to provide land for economic development, residential use and community services, including formal requests for withdrawal to the Bureau of Land Management as early as 1983. During development of the Bishop Resource Management Plan (approved March 1993), public land was identified for transfer to other tribal governments within the planning area. Despite the tribe's previously expressed interest in the adjacent 40 acres, the parcel was not evaluated for disposal to the tribe. The tribe has now formally requested that this 40 acre parcel immediately adjacent to the existing reservation be made available to them through a direct sale under the authority of the Federal Land Policy and Management Act, Sec. 203 (43 USC 1713).

The requested sale would involve the following lands located northeast of Bridgeport and adjacent to Highway 182 in the County of Mono, California:

Selected Federal Lands, requested to be Patented to the Bridgeport Indian Colony:

Mount Diablo Meridian, California,

T. 5N., R. 25 E.,

Sec. 28, SW 1/4 of NE 1/4.

SUPPLEMENTAL INFORMATION: A final decision on the sale proposal and the RMP amendment will be made following public comments and completion of an environmental analysis. The environmental analysis will evaluate a direct sale at fair market value and other alternatives. Factors to be considered include the proximity of the site to the Bridgeport Indian Colony reservation, the Department of the Interior's trust responsibilities to the Tribe, and the Rights-of-Way (ROW) encumbering the disposal parcel, some of which are held by the Bridgeport Tribe or directly support the Reservation. There are eight known ROWs within the 40 acre parcel that the Tribe would have to accept. These include:

CAS 2240 SCE Powerline, 25' wide;
CAS 059135 GTE Telephone line, 30' wide;
CAS 053545 Caltrans Highway 182, 400' wide;
CACA 6432 GTE Underground telephone cable, 10' wide;
CACA 6044 Indian Health Svcs, Pipeline and Powerline, 60' wide;
CACA 4083 BIA Road, dike, ditch and fill area, 60' wide;

CACA 8757 Bridgeport PUC Pipeline, 50' wide;
CACA 5332 SCE Powerline, guy and anchor point, 25' wide.

The following covenant would also be placed in the conveyance document: "Authorized rights-of-way and other valid third party rights will be recognized. The Proponent will negotiate new easement/permit agreements with third party rights. Patents to selected public lands will be issued subject to any third party rights not successfully negotiated and replaced by a Proponent easement or permit."

Upon publication of this Notice in the **Federal Register**, the public lands described above are segregated from all forms of appropriation under the public land laws, including the mining laws for a period of 270 days from the date of publication. The segregative effect shall terminate as provided by 43 CFR 2711.1-2(d).

Detailed information concerning the RMP amendment and the requested sale is available at the BLM Bishop Field Office, 785 N. Main St. Suite E, Bishop, CA 93514 or by contacting Larry Primosch at (760) 872-4881.

COMMENTS: For a period of 45 days from the initial date of publication of this notice, interested parties may submit valid comments on the Bishop RMP amendment or the requested sale to the BLM Bishop Field Manager, 785 N. Main St. Suite E, Bishop, CA 93514. A public meeting will be held from 6-9 pm on October 12 at the Memorial Hall in the town of Bridgeport to gather comments and help define the issues which must be addressed in the environmental analysis.

Dated: September 22, 1999.

Steve Addington,

Field Manager, Bishop Field Office.
