

business association, provide the information, on an aggregate basis, for the firms which are members of your association.

(a) The quantity and value (landed, duty-paid but not including antidumping or countervailing duties) of U.S. imports and, if known, an estimate of the percentage of total U.S. imports of Subject Merchandise from each Subject Country accounted for by your firm's(s') imports;

(b) the quantity and value (f.o.b. U.S. port, including antidumping and/or countervailing duties) of U.S. commercial shipments of Subject Merchandise imported from each Subject Country; and

(c) the quantity and value (f.o.b. U.S. port, including antidumping and/or countervailing duties) of U.S. internal consumption/company transfers of Subject Merchandise imported from each Subject Country.

(9) If you are a producer, an exporter, or a trade/business association of producers or exporters of the Subject Merchandise in any of the Subject Countries, provide the following information on your firm's(s') operations on that product during calendar year 1998 (report quantity data in pounds and value data in thousands of U.S. dollars, landed and duty-paid at the U.S. port but not including antidumping or countervailing duties). If you are a trade/business association, provide the information, on an aggregate basis, for the firms which are members of your association.

(a) Production (quantity) and, if known, an estimate of the percentage of total production of Subject Merchandise in each Subject Country accounted for by your firm's(s') production; and

(b) the quantity and value of your firm's(s') exports to the United States of Subject Merchandise and, if known, an estimate of the percentage of total exports to the United States of Subject Merchandise from each Subject Country accounted for by your firm's(s') exports.

(10) Identify significant changes, if any, in the supply and demand conditions or business cycle for the Domestic Like Product that have occurred in the United States or in the market for the Subject Merchandise in the Subject Countries since the Order Dates, and significant changes, if any, that are likely to occur within a reasonably foreseeable time. Supply conditions to consider include technology; production methods; development efforts; ability to increase production (including the shift of production facilities used for other products and the use, cost, or

availability of major inputs into production); and factors related to the ability to shift supply among different national markets (including barriers to importation in foreign markets or changes in market demand abroad). Demand conditions to consider include end uses and applications; the existence and availability of substitute products; and the level of competition among the Domestic Like Product produced in the United States, Subject Merchandise produced in the Subject Countries, and such merchandise from other countries.

(11) (OPTIONAL) A statement of whether you agree with the above definitions of the Domestic Like Product and Domestic Industry; if you disagree with either or both of these definitions, please explain why and provide alternative definitions.

Notice of Lodging of Consent Decree Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as Amended

Consistent with Departmental policy, 28 CFR 50.7, 38 FR 19029, and 42 U.S.C. 9622(d), notice is hereby given that on August 19, 1999, a proposed Consent Decree in *United States v. Cape Chem Corporation, et al.*, Civil Action No. 97-11851 MLW, was lodged with the United States District Court for the District of Massachusetts. The proposed Consent Decree will resolve the United States' claims under the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. 9601, *et seq.*, on behalf of the U.S. Environmental Protection Agency ("EPA") against defendants relating to the Payne Cutlery Superfund Site ("Site") located in New Bedford, Massachusetts. The Complaint alleges that each of the defendants is liable under Section 107(a) of CERCLA, 42 U.S.C. 9607(a).

Pursuant to the Consent Decree, the settling defendants agree to pay \$70,000 of the approximately \$233,000 in EPA's response costs, plus interest from July

27, 1999. This settlement is based upon the settling defendant's ability to pay.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the proposed consent decree. Any comments should be addressed to the Assistant Attorney General of the Environment and Natural Resources Division, Department of Justice, Washington, DC 20530, and should refer to *United States v. Cape Chem Corporation*, Civil Action No. 97-11851 MLW, D.J. Ref. 90-11-2-1269.

The proposed consent decree may be examined in the Office of the United States Attorney, District of Massachusetts and at Region I, Office of the Environmental Protection Agency, JFK Federal Building, Boston, MA 02203-2211. A copy of the proposed consent decree may be obtained by mail from the Department of Justice Consent Decree Library, P.O. Box 7611, Washington, DC 20044. In requesting a copy, please enclose a check (there is a 25 cent per page reproduction cost) in the amount of \$5.00 payable to the Consent Decree Library.
