Destin submitted for filing the following revised sheets to its FERC Gas Tariff, Original Volume No. 1, to be effective November 1, 1999:

Primary Sheets

Second Revised Sheet No. 5
Second Revised Sheet No. 6
Second Revised Sheet No. 7

Alternate Sheets

First Alternate Second Revised Sheet No. 5
First Alternate Second Revised Sheet No. 6
First Alternate Second Revised Sheet No. 7

Destin has requested an effective date of November 1, 1999.

Destin states that the purpose of this instant filing is to adjust its rates under Rate Schedules FT-1, FT-2, and IT (i) to reflect its actual cost of constructing its Destin Pipeline Facilities and (ii) to reflect a lower depreciation rate. Specifically, Destin proposes to increase the maximum Monthly Reservation Rate under Rate Schedules FT-1 and FT-2 from \$7.19 to \$8.22 and the daily Reservation Rate under Rate Schedules FT-1 and FT-2 and the Daily Overrun Rate under Rate Schedule FT-2 from \$0.24 (inclusive of the transportation component) to \$0.274.

Destin also seeks to increase the maximum transportation rate under Rate Schedule IT from 24.0¢ to 27.4¢. Destin states that these rates are set forth in the primary tariff sheets.

Destin also filed alternate tariff sheets that reflect only the rate increase resulting from the increase in the capital cost of the Destin Pipeline facilities. Destin states that the alternate sheets are posed to preserve the timeliness of the compliance rate increase filing in the event of a challenge to Destin's proposed depreciation rate change.

Destin states that copies of the filing will be served upon its shippers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations.
