Final approval under OMB delegated authority of the extension for three years, with revision of the following reports:

1. Report title: Application for a Foreign Organization to Become a Bank Holding Company.

Agency form number: FR Y-1f.

OMB Control number: 7100-0119.

Frequency: Event-generated.

Reporters: Foreign Banking Organizations.

Annual reporting hours: 280 hours.

Estimated average hours per response: 70 hours.

Number of respondents: 4 foreign banking organizations.

Small businesses are not affected.

General description of report: This information collection is mandatory (12 U.S.C. 1842(a) and 1844(a) and (c) and by Regulation Y (12 CFR 225.5(a) and 225.11(f)). The information provided in the application is not confidential unless the applicant specifically requests it and the Board approves the request.

Abstract: Under the Bank Holding Company Act, submission of this application is mandatory for any company organized under the laws of a foreign country seeking initial entry into the United States through the establishment or acquisition of a U.S. subsidiary bank. Applicants provide financial and managerial information

and must discuss the competitive effects of the proposed transaction and how the proposed transaction would enhance the convenience and needs of the community to be served.

The Board approved several revisions to the FR Y-1f, including clarifying the application to improve consistency with the FR Y-3 and other types of applications filed by foreign banks, deleting items not necessary for all applications of this type, and adding an item on reserve for loan losses. Also, several minor clarifications would be made to the instructions, including the elimination of any outdated references.

2. Report title: Consumer Satisfaction Questionnaire.

Agency form number: FR 1379.

OMB Control number: 7100-0135.

Frequency: Event-generated.

Reporters: Consumers.

Annual reporting hours: 60 hours.

Estimated average hours per response: 20 minutes.

General description of report: This information collection is voluntary (15 U.S.C. 57 (a)(f)(1)) and is not given confidential treatment; however, some respondents may provide information not specifically solicited on the form, which may be exempt from disclosure under the Freedom of Information Act (5 U.S.C. 552 (b)(4), (b)(6), and (b)(7)).

Abstract: The FR 1379 is used to determine whether complainants are satisfied with the way the Federal Reserve System handled their complaints and to solicit suggestions for improving the complaint-handling process. The revised questionnaire was designed to collect more details related to the information requested in the previous questionnaire and to capture information about the demographic characteristics of consumers who file complaints about state member banks. Previously, the questionnaire was sent to consumers whose complaints against state member banks were referred by the Board of Governors to the appropriate Federal Reserve Bank for resolution. The Board is extending distribution of the questionnaire to all consumers who have complaints against state member banks.

Board of Governors of the Federal Reserve System, October 1, 1999.

Secretary of the Board.
