

**FOR FURTHER INFORMATION CONTACT:** Mr. Stanley Katz, Presiding Officer, HCFA, C1-09-13, 7500 Security Boulevard, Baltimore, Maryland 21244, Telephone: (410) 786-2661.

**SUPPLEMENTARY INFORMATION:** This notice announces an administrative hearing to reconsider our decision to disapprove New Mexico Children's Health Insurance Program (CHIP) Phase II State Plan Amendment (SPA) submitted on April 15, 1999.

Section 1116 of the Social Security Act (the Act) and 42 CFR Part 430 provide a State an opportunity for an administrative hearing for reconsideration of a disapproval of a State plan or plan amendment. Section 2107(e)(2)(B) of the Act makes these provisions applicable under Title XXI to CHIP State plans and plan amendments. Under these provisions, the Health Care Financing Administration (HCFA) is required to publish a copy of the notice to the State that informs the State of the time and place of the hearing and the issues to be considered. If we subsequently notify the State of additional issues that will be considered at the hearing, we will also publish that notice.

Any individual or group that wants to participate in the hearing as a party must petition the presiding officer within 15 days after publication of this notice, in accordance with the requirements contained at 42 CFR 430.76(b)(2). Any interested person or organization that wants to participate as *amicus curiae* must petition the presiding officer before the hearing begins in accordance with the requirements contained at 42 CFR 430.76(c). If the hearing is later rescheduled, the presiding officer will notify all participants.

New Mexico submitted its State Plan for a Medicaid expansion program on May 19, 1998 and received HCFA approval for it on January 11, 1999. New Mexico submitted its SPA on April 15, 1999. The amendment provides for the State to furnish preventive and intervention services to all Medicaid eligible children under age 19. HCFA denied the amendment on July 8, 1999.

HCFA disapproved New Mexico's CHIP plan amendment because the State requested enhanced FFP in expenditures for preventive and intervention services furnished to children who would have been Medicaid eligible under New Mexico's Medicaid State Plan in effect on March 31, 1997. Under section 1905(b) of the Social Security Act, a State may receive enhanced FFP in expenditures for services provided through a Medicaid

expansion to "optional targeted low income children." Section 1905(u)(2)(B) excludes from the definition of "optional targeted low income child" any child who would have qualified for Medicaid under a state's Medicaid State plan in effect on March 31, 1997.

The issue to be considered at the hearing is whether a State may receive enhanced Federal financial participation in expenditures under CHIP for preventive and intervention services furnished to Medicaid eligible children under the age of 19, including children who would have been Medicaid eligible under New Mexico's Medicaid State Plan in effect on March 31, 1997.

The notice to New Mexico announcing an administrative hearing to reconsider the disapproval of its SPA reads as follows:

Mr. Charles Milligan,  
*Director, Medical Assistance Division, New Mexico Human Services Department,  
P.O. Box 2348, Santa Fe, New Mexico  
87504-2348.*

Dear Mr. Milligan: I am responding to your request for reconsideration of the decision to disapprove the New Mexico Children's Health Insurance Program (CHIP) Phase II State Plan Amendment (SPA) submitted on April 15, 1999.

HCFA disapproved New Mexico's CHIP plan amendment because the State requested enhanced FFP in expenditures for preventive and intervention services furnished to children who would have been Medicaid eligible under New Mexico's Medicaid State plan in effect on March 31, 1997. Under § 1905(b) of the Social Security Act, a State may receive enhanced FFP in expenditures for services provided through a Medicaid expansion to "optional targeted low income children." Section 1905(u)(2)(B) of the Act excludes from the definition of "optional targeted low income child" any child who would have qualified for Medicaid under a state's Medicaid State plan in effect on March 31, 1997.

I am scheduling a hearing on your request for reconsideration to be held on December 8, 1999 at 10:00 a.m.; Eighth Floor; Conference Room 820; 1301 Young Street; Dallas, Texas 75202. If this date is not acceptable, we would be glad to set another date that is mutually agreeable to the parties. The hearing will be governed by the procedures prescribed at 42 CFR, Part 430.

The issue to be considered at the hearing is whether a State may receive enhanced Federal financial participation in expenditures under CHIP for preventive and intervention services furnished to Medicaid eligible children under the age of 19, including children who would have been Medicaid eligible under New Mexico's Medicaid State Plan in effect on March 31, 1997.

I am designating Mr. Stanley Katz as the presiding officer. If these arrangements present any problems, please contact the presiding officer. In order to facilitate any

communication which may be necessary between the parties to the hearing, please notify the presiding officer to indicate acceptability of the hearing date that has been scheduled and provide names of the individuals who will represent the State at the hearing. The presiding officer may be reached at (410) 786-2661.

Sincerely,

Michael M. Hash,  
*Deputy Administrator.*
