The Executive Order directs Federal agencies to "have an effective process to permit elected officials and other representatives of Indian tribal governments to provide meaningful and timely input in the development of regulatory policies on matters that significantly or uniquely affect their communities." In accordance with the Executive Order, HUD is in the process of developing a tribal consultation policy.

HUD is sponsoring a series of regional meetings for the purposes of receiving tribal input on the appropriate scope and content of HUD's consultation policy. To facilitate tribal participation at these meetings, HUD has scheduled the meetings to take place in conjunction with previously scheduled regional meetings of Indian tribes.

Three consultation meetings have already been held. The first meeting was held in Pocatello, Idaho in conjunction with the meeting of the Affiliated Tribes of Northwest Indians. The second meetings was held in Anchorage, Alaska in conjunction with the meeting of the Alaska Federation of Natives. The most recent meeting was held on October 27, 1999 in Oneida, New York in conjunction with the meeting of the United South and Eastern Tribes.

This notice announces three future regional consultation meetings. The meetings will be held at the places and times identified in the **DATES AND ADDRESSES** section of this notice.

All comments received at the regional consultation meetings will be considered in the development of HUD's final tribal consultation policy.

Before finalizing a consultation policy, HUD will publish the draft policy in the **Federal Register** for additional public comment.

Interested persons who are unable to attend one of the regional consultation meetings are encouraged to submit written comments to the Office of Native American Programs, at the address listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice.
