**Notice of Inventory Completion for  
Native American Human Remains and  
an Associated Funerary Object in the  
Control of the Bay County Historical  
Society, Bay City, MI**

**AGENCY:** National Park Service.

**ACTION:** Notice.

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act (NAGPRA), 43 CFR 10.9, of the completion of an inventory of human remains and an associated funerary object in the control of the Bay County Historical Society, Bay City, MI.

A detailed assessment of the human remains was made by Bay County Historical Society professional staff in consultation with representatives of the Saginaw Chippewa Indian Tribe of Michigan, Isabella Reservation.

In 1965 or 1966, human remains representing one individual were removed from an area north of the Third Street bridge, Bay City, MI during a dredging project on the west bank of the Saginaw River by a person whose name is withheld by the institution. In 1998, the son of the original collector, whose name is also withheld by the institution, contacted the Bay County Historical Society for the purpose of repatriation. No known individual was identified.

The one associated funerary object is a metal artifact, possibly a strike-a-light.

Based on burial location, the associated funerary object, and forensic information, this individual has been identified as Native American from the historic period. Based on the burial location and associated funerary object, these human remains appear to be associated with site 20BY28, the Fletcher site which was excavated during 1967-68 and 1979 by Michigan State University. Based on site location and material culture, site 20BY28 has been identified as an 18th century occupation site. Historical documents indicate Saginaw Chippewa settlements in close proximity to this cemetery area during the late 18th century.

Based on the above mentioned information, officials of the Bay County Historical Society have determined that, pursuant to 43 CFR 10.2 (d)(1), the

human remains listed above represent the physical remains of one individual of Native American ancestry. Officials of the Bay County Historical Society have also determined that, pursuant to 43 CFR 10.2 (d)(2), the one object listed above are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony. Lastly, officials of the Bay County Historical Society have determined that, pursuant to 43 CFR 10.2 (e), there is a relationship of shared group identity which can be reasonably traced between these Native American human remains and associated funerary object and the Saginaw Chippewa Indian Tribe of Michigan, Isabella Reservation.

This notice has been sent to officials of the Saginaw Chippewa Indian Tribe of Michigan, Isabella Reservation. Representatives of any other Indian tribe that believes itself to be culturally affiliated with these human remains and associated funerary object should contact Ms. Gay McInerney, Executive Director, Bay County Historical Society, 321 Washington Avenue, Bay City, MI 38708; telephone: (517) 893-5733, before December 2, 1999. Repatriation of the human remains and associated funerary object to the Saginaw Chippewa Indian Tribe of Michigan, Isabella Reservation may begin after that date if no additional claimants come forward.

Dated: October 26, 1999.
