

Act (NEPA) of 1969, the National Park Service (NPS) announces the availability of an abbreviated Final Environmental Impact Statement (FEIS) for the Homestead National Monument of America General Management Plan (GMP). This document in conjunction with the Draft General Management Plan/Draft Environmental Impact Statement (DEIS) describes and analyzes the environmental impacts of a proposed action and two action alternatives for the future management of the park. A no action alternative also is evaluated. The DEIS for the proposal was on 60-day public review from May 4, 1999 to July 10, 1999. The abbreviated final document includes responses to public comments on the DEIS and factual corrections to the DEIS.

DATES: A 30-day no action period will begin following release of the abbreviated FEIS. A Record of Decision will be made after this period; no sooner than December 12, 1999.

ADDRESSES: Copies of the abbreviated FEIS are available by request from the Superintendent, Homestead National Monument of America, 8523 West State Highway 4, Beatrice, Nebraska 68310-6743. Telephone 402-223-3514.

FOR FURTHER INFORMATION CONTACT: Superintendent, Homestead National Monument of America, at the address or telephone number above.

SUPPLEMENTARY INFORMATION: The GMP for Homestead National Monument is intended to provide a blueprint to guide park management decisions for the next 10-20 years. In keeping with National Park Service planning policy, the GMP is a holistic, long-term, policy-level view for the future of the monument. The plan does not address site-specific actions, which will be deferred to future implementation planning.

Dated: November 5, 1999.

Catherine A. Damon,

Acting Regional Director, Midwest Region.

Bureau of Reclamation

Information Collection Activities Under OMB Review

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of Data Collection Submission.

SUMMARY: In compliance with the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*), this notice announces that the Information Collection Request (ICR) abstracted below has been forwarded to the Office of Management and Budget (OMB) for review and comment. The ICR describes the nature of the information collection and its expected cost and burden.

DATES: Comments must be submitted on or before December 13, 1999.

ADDRESSES: Comments on this information collection should be submitted to the Office of Information and Regulatory Affairs, Office of Management and Budget, Attention: Desk Officer for the Department of the Interior, 725 17th Street, NW., Washington, DC 20503. A copy of your comments should also be directed to the Bureau of Reclamation, Attention Mr. Jeffrey Addiego, Boulder Canyon Operations Office, PO Box 61470, Boulder City, NV 89006–1470.

FOR FURTHER INFORMATION CONTACT: For further information or a copy of the proposed collection of information, contact Mr. Jeffrey Addiego, (702) 293–8525, or e-mail at JAddiego@lc.usbr.gov.

SUPPLEMENTARY INFORMATION: Comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of Reclamation, including whether the information shall have practical use; (b) the accuracy of Reclamation's estimated burden of the proposed collection of information; (c) ways to enhance the quality, use, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of automated collection techniques or other forms of information technology.

Title: Lower Colorado River Well Inventory.

OMB No.: Reinstatement of OMB No. 1006–0014.

Description of respondents: All diversions of mainstream Colorado River water along the lower Colorado River must be accounted for and, for non-Indian diverters, in accordance with a water use contract with the

Secretary of the Interior. Each diverter (including well pumpers) must be identified and their diversion locations and water use determined. This requires an inventory of wells along the lower Colorado River and the gathering of specific information concerning each well.

Frequency: These data will be collected only once for each well owner or operator as long as changes in water use, or other changes that would impact contractual or administrative requirements are not made.

Estimated completion time: An average of 30 minutes is required for Reclamation to interview individual well owners or operators. Reclamation will use the information collected during these interviews to complete the information collection form.

Annual responses: 1,000.

Annual burden hours: 500 hours.

An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Reclamation will display a valid OMB control number on the forms. the **Federal Register** notice with a 60-day comment period soliciting comments on this collection of information was published on May 21, 1999 (64 FR 27806).

OMB has up to 60 days to approve or disapprove this information collection, but may respond after 30 days; therefore, public comment should be submitted to OMB within 30 days in order to assure maximum consideration.

Dated: November 5, 1999.
