[Investigation No. 731-TA-497 (Review) and Investigation No. 731-TA-539-B (Review)]

Tungsten Ore Concentrates From China and Uranium From Kyrgyzstan

AGENCY: United States International Trade Commission.

ACTION: Termination of five-year reviews.

SUMMARY: The subject five-year reviews were initiated in August 1999 to determine whether revocation of the existing antidumping duty order/termination of the existing suspension agreement would be likely to lead to continuation or recurrence of dumping and of material injury to a domestic industry. On November 3, 1999, the Department of Commerce published notice that it was revoking the order on tungsten ore concentrates and terminating the suspended investigation on uranium "because no domestic party responded to the sunset review notice of initiation by the applicable deadline" (64 FR 59737). Accordingly, pursuant to section 207.69 of the Commission's Rules of Practice and Procedure (19 CFR 207.69), the subject reviews are terminated.

EFFECTIVE DATE: November 3, 1999.

DEPARTMENT OF JUSTICE

[AAG/A Order No. 179-99]

Privacy Act of 1974; Notice of the Removal of Systems of Records

Pursuant to the provisions of the Privacy Act of 1974 (5 U.S.C. 552a), the Drug Enforcement Administration (DEA), Department of Justice, is deleting existing Privacy Act Notices for nine (9) Systems of Records previously established by DEA.

DEA is deleting the System Notice for the "Medical Records, JUSTICE/DEA-009," the "Drug Enforcement Administration Accounting System (DEAAS II), JUSTICE/DEA-016," "Drug Enforcement Administration Applicant Investigations (DAI), JUSTICE/DEA-018," "Clerical, Technical Professional Program (CTAP), JUSTICE/DEA-023," and the "Employee Profile System (DEPS), JUSTICE/DEA-027," which were last published in the **Federal Register** on December 11, 1987 (52 FR 47200). It has been determined that these Systems of Records are covered by existing Office of Personnel Management government wide system notices or Department of Justice system notices.

The "Medical Records" records still exist and are covered by the Office of Personnel Management System Notice, "Employee Medical File System Records, OPM/GOVT-10." The "Drug Enforcement Administration Accounting System (DEAAS II)" records still exist and are covered by the Department of Justice System Notice, Accounting Systems for the Department of Justice, JUSTICE/JMD-007." The "Drug Enforcement Administration

Applicant Investigations (DAI)" records still exist and are covered by the Office of Personnel Management System Notice "Personnel Investigation Records, OPM/Central-9." The "Clerical, Technical Professional Program (CTAP)" and the "Employee Profile System (DEPS)" System of Records still exist and are covered by the Office of Personnel Management System Notice, "General Personnel Records OPM/GOVT-1."

DEA is deleting the "Stride/Ballistics, JUSTICE/DEA-014," System of Records which was last published in the **Federal Register** on December 11, 1987 (52 FR 47200). This System of Records was erroneously reported as a Privacy Act System of Records. The records contained in the system are not retrievable by an individual's name or personal identifier and, thus, do not constitute a Privacy Act System of Records.

A proposal to remove the "International Intelligence Data Base, JUSTICE/DEA-007," the "Regional Automated Intelligence System (RAIDS), JUSTICE/DEA-028," and the "Agent Recruit Assessment Program, JUSTICE/DEA-030" appeared in the **Federal Register** on July 24, 1984, (49 FR 29857). These Systems of Records were erroneously listed in the 1997 Department of Justice Compilation of Privacy Act Systems of Records. It has been determined that these Systems of Records no longer exist. For clarification, these systems are again referenced in this Notice of Removal.

Therefore, the "International Intelligence Data Base," the "Medical Records," the "Stride/Ballistics," the "Drug Enforcement Administration Accounting System (DEAAS II)," the "Clerical, Technical Professional Program (CTAP)," the "Employee Profile System (DEPS)," the "Regional Automated Intelligence System (RAIDS)," the "Agent Recruit Assessment Program" are hereby removed from the Department of Justice's compilation of Privacy Act System.

Dated: October 25, 1999.

[TA-W-36,295, et al.]

Chevron U.S.A. Production Company (CPDN), Business Products and Services (BP&S), Department of Chevron Services Company, Divisions of Chevron U.S.A., Inc., Midland, TX and Operating at Various Locations in the Following States; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Notice of Certification Regarding Eligibility to Apply for Worker Adjustment Assistance on July 6, 1999, applicable to workers of Chevron U.S.A. Production Company (CPDN), A Division of Chevron U.S.A., Inc, Midland, Texas and operating at various locations in the above mentioned states. The notice was published in the **Federal Register** on August 11, 1999 (64 FR 43724).

At the request of the company, the Department reviewed the certification for workers of the subject firm. The workers are engaged in employment related to the exploration and production of crude oil and natural gas. New information shows that Business Products and Services (BP&S) is a department of Chevron Services Company, which is one of two divisions of Chevron U.S.A., Inc., the other being Chevron U.S.A. Production Co. Information also shows that worker separations occurred at Business Products and Services (BP&S) operating at various locations in California, Louisiana and Texas. The workers provide support services (i.e., graphics, transportation, reprographics and mail) for the exploration and production of crude oil and natural gas provided by Chevron U.S.A. Production Company (CPDN), operating at various locations in California, Louisiana and Texas. Chevron USA Production Company is the sole customer of Business Products and Services operating at various locations in the above cited states.

Accordingly, the Department is amending the certification to cover the workers of Business Products and Services (BP&S) operating at various locations in California, Louisiana, and Texas.

The intent of the Department's certification is to include all workers of Chevron U.S.A. Production Company who were adversely affected by increased imports.
